(b) The unused 21st century tax plan balance for a state fiscal

year is the amount determined under the last STEP of the following formula:

STEP ONE: Calculate the net amount of additional state general fund revenue accruing to the state general fund in the immediately preceding state fiscal year as a result of:

(A) the enactment of a business franchise tax (IC 6-2.2);

(B) reduction of the property tax replacement credit (IC 6-1.1-21);

(C) the increase in the adjusted gross income tax rates (IC 6-3-1 through IC 6-3-7) for persons after offsetting the impact of the increased renter's deduction (IC 6-3-2-6) and the earned income credit (IC 6-3.1-21);

(D) the increase in the adjusted gross income tax rate on corporations (IC 6-3-1 through IC 6-3-7) after offsetting the impact on state tax liability of the establishment of the business personal property credit (IC 6-3.1-23.8) and investment credit (IC 6-3.1-24) and increasing the research expense credit (IC 6-3.1-4);

(E) the increase in the state gross retail and use taxes (IC 6-2.5);

(F) the elimination of the gross income tax (IC 6-2.1) for taxpayers other than public utility companies); and

(G) the elimination of the supplemental net income tax (IC 6-3-8);

enacted by the general assembly in 2002.

STEP TWO: Calculate the amount of additional expenses incurred by the state in the immediately preceding state fiscal year as a result of the:

(A) assumption of county contributions to the medical assistance to wards program under IC 12-13-8 (repealed);

(B) assumption of county contributions to the children with special health care needs program under IC 16-35-3 (repealed);

(C) assumption of county contributions to the hospital care for the indigent program or the uninsured parent program required under IC 12-16-14 (repealed);

(D) assumption of fifty percent (50%) of the county obligation for child services (as defined in IC 12-19-7-1);

(E) assumption of the obligation to provide additional state tuition support to replace the fifty percent (50%) reduction in school general fund property tax levies (IC 6-1.1-19; IC 21-3-1.7); and

(F) increased homestead credit (IC 6-1.1-20.9);

enacted by the general assembly in 2002.

STEP THREE: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP ONE amount minus the STEP TWO amount.

Sec. 12. As soon as possible after making the determination under section 11 of this chapter, the budget director shall certify the unused 21st century tax plan balance amount determined under section 11 of this chapter to the treasurer of state.

Sec. 13. If the unused 21st century tax plan balance amount certified under section 12 of this chapter is greater than zero (0), the treasurer of state shall transfer the following amounts from the state general fund:

(1) Fifty percent (50%) of the unused 21st century tax plan balance to the tax relief fund.

(2) Fifty percent (50%) of the unused 21st century tax plan balance to the tuition support stabilization fund.

Sec. 14. An amount of money in the tax relief fund determined by the budget director may be used to meet the state's obligations to:

(1) maintain homestead credit distributions from the state to political subdivisions when economic conditions result in lowered collections of general tax revenues as determined by the budget agency under section 14 of this chapter if the budget director determines that general fund revenues being collected in the state fiscal year are insufficient to meet the state's obligations for the distributions described in this subdivision;

(2) provide a source of money to meet the following obligations assumed by the state:

(A) assumption of county contributions to the medical assistance to wards program under IC 12-13-8 (repealed);

(B) assumption of county contributions to the children with special health care needs program under IC 16-35-3 (repealed);

(C) assumption of county contributions to the hospital care for the indigent program or the uninsured parent program required under IC 12-16-14 (repealed);

(D) assumption of fifty percent (50%) of the county obligation for child services (as defined in IC 12-19-7-1);

when economic conditions result in lowered collections of general tax revenues as determined by the budget agency under section 14 of this chapter if the budget director determines that general fund revenues being collected in the state fiscal year are insufficient to meet the state's obligations for the distributions described in this subdivision; and

(3) subject to section 15 of this chapter, assist allocation areas under IC 6-1.1-21.2, if the department of local government finance orders a distribution from the tax relief fund under IC 6-1.1-21.2.

Sec. 15. (a) Money in the tax relief fund, after making any distributions necessary under section 14 of this chapter, is available to make the distributions to allocation areas (as defined in IC 6-1.1-21.2-2) approved by the department of local government finance under IC 6-1.1-21.2 (distribution of tax increment replacement amounts).

(b) The budget director shall make distributions under this section in conformity with the schedule determined by the department of local government finance.

(c) If in any state fiscal year insufficient money is available in the tax relief fund to make all of the distributions approved under IC 6-1.1-21.2 for a state fiscal year, the budget director shall proportionately reduce the total distribution made to each allocation area in the state fiscal year. The reduced amount is equal to the amount approved for distribution to the allocation area multiplied by a fraction. The numerator is the amount available for distribution to allocation areas (as defined in IC 6-1.1-21.2-2). The denominator is the amount approved for distribution to allocation areas (as defined in IC 6-1.1-21.2-2) under IC 6-1.1-21.2. The budget director may reduce or delay any scheduled distribution to comply with this subsection.

Sec. 16. An amount of money in the tuition support stabilization fund determined by the budget director may be used to meet the state's obligations for tuition support distributions to school corporations in a state fiscal year if the budget director determines that general fund revenues being collected in the state fiscal year are insufficient to meet the state's obligations for tuition support.

(b) Notwithstanding the rulemaking authority granted to the department of local government finance under IC 6-1.1, the repeal of various provisions in 50 IAC 2.2 by LSA Document #00-108, and the repeal of various provisions in 50 IAC 5.1 by LSA Document #01-347, the determination of the assessed value of tangible real property on an assessment date in calendar year 2002 shall be made in accordance with the:

(1) statutes; and

(2) rules of the state board of tax commissioners (before its termination);

in effect on July 1, 2001, and any statute enacted by the general assembly in 2002 that applies to an assessment date in 2002.

(c) This section expires January 1, 2004.

SECTION 21. IC 6-1.1-6.9 IS ADDED TO THE INDIANA CODE AS A **NEW** CHAPTER TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]:

Chapter 6.9. Rental and Cooperative Housing

Sec. 1. Except as provided in sections 2 and 3 of this chapter, an assessing official, for an original appraisal or an appeal of an appraisal, shall consider all relevant information in determining the true tax value of rental and cooperative housing to the extent that the information is allowed under the rules adopted by the state board of tax commissioners before January 1, 2002, or the department of local government finance after December 31, 2001. Relevant information consists of the following:

(1) Rental levels and income.

(2) Actual construction costs.

(3) Comparable properties.

(4) Appraisals of the use value of the property.

(5) Contract or deed restrictions requiring low income housing to be rented at less than its fair market rental value.

(6) Any other information compiled in accordance with generally accepted appraisal principles.

Sec. 2. The true tax value of low income rental housing shall be determined using the capitalization of income method of valuation.

Sec. 3. The value of any tax incentive credits or other government subsidies, including below market financing, granted for the construction, conversion, or use of property as low income housing may not be considered in determining the true tax value of the property regardless of whether the credits or other subsidies are made available, directly or indirectly, to compensate the owner for the rental of low income housing at a rate that is less than the fair market rental rate for the property.

SECTION 23. IC 6-1.1-8-37.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 37.5. (a) As used in this section, "base period tax amount" means the total property taxes first due and payable in Indiana by a public utility company during the period beginning January 1, 2003, and ending December 31, 2003.**

(b) If the total property taxes first due and payable in Indiana by a public utility company in any year beginning after December 31, 2003, are less than the base period tax amount for the public utility company, the public utility company shall pay a special assessment equal to:

(1) the base period tax amount owed by the public utility company (after adjusting the amount to recognize the effect of the reduction in school and county levies required by statute after December 31, 2003); minus

(2) the total property taxes first due and payable in Indiana by the public utility company for the particular year.

The special assessment is due and payable in the same year as the taxes described in subdivision (2).

(c) The department of local government finance shall calculate the amount of the special assessment under subsection (b) and determine the part of the special assessment that is attributable to each affected county. The department shall certify the part of the special assessment due to an affected county to that county auditor for the county not later than March 15 of the year the special assessment is due. The county auditor shall certify the county's part of the special assessment to the county treasurer, and the county treasurer shall collect that amount in the same manner that ad valorem property taxes are collected.

(d) The accounts of each of the taxing units within an affected county shall be credited with a proportionate share of the special assessment collected by the county under subsection (c) equal to the amount of the special assessment collected by the county

multiplied by a fraction. The numerator of the fraction is equal to the amount of ad valorem property taxes credited to the account from property taxes first due and payable from the public utility company in the particular year. The denominator is the total ad valorem property taxes credited to all accounts in the county from property taxes first due and payable from the public utility company in the particular year.

(e) The distribution of the special assessment under this section shall be treated as ad valorem property taxes for the purposes of setting tax rates, tax levies, and budgets of taxing units.

SECTION 24. IC 6-1.1-8.7-3, AS ADDED BY P.L.198-2001, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. (a) Before January 1, ~~2003,~~ **2004,** two hundred fifty (250) or more owners of real property in a township may petition the department of local government finance to assess the real property of an industrial facility in the township for the 2004 assessment date.

(b) Before January 1 of each year that a general reassessment commences under IC 6-1.1-4-4, two hundred fifty (250) or more owners of real property in a township may petition the department of local government finance to assess the real property of an industrial facility in the township for that general reassessment.

(c) An industrial company may at any time petition the department of local government finance to assess an industrial facility owned or used by the company.

SECTION 25. IC 6-1.1-12-37, AS AMENDED BY P.L.291-2001, SECTION 142, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 37. (a) Each year a person who is entitled to receive the homestead credit provided under IC 6-1.1-20.9 for property taxes payable in the following year is entitled to a standard deduction from the assessed value of the real property, mobile home not assessed as real property, or manufactured home not assessed as real property that qualifies for the homestead credit. The auditor of the county shall record and make the deduction for the person qualifying for the deduction.

(b) Except as provided in section 40.5 of this chapter, the total amount of the deduction that a person may receive under this section for a particular year is the lesser of:

(1) one-half (½) of the assessed value of the real property, mobile home not assessed as real property, or manufactured home not assessed as real property; or

(2) ~~six~~ **twenty-five** thousand dollars ~~($6,000).~~ **($25,000).**

(c) A person who has sold real property, a mobile home not assessed as real property, or a manufactured home not assessed as real property to another person under a contract that provides that the contract buyer is to pay the property taxes on the real property, mobile home, or manufactured home may not claim the deduction provided under this section with respect to that real property, mobile home, or manufactured home.

SECTION 26. IC 6-1.1-12-41 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 41. (a) This section applies only to assessment dates in 2002 and property taxes first due and payable in 2002 for mobile homes and in 2003 for other tangible personal property.**

(b) As used in this section, "construction in process" means tangible personal property not placed in service. The term includes tangible personal property that has not been depreciated and is not yet eligible for federal income tax depreciation. The term does not include inventory, leased property, or returnable containers. The term applies to all tangible personal property regardless of whether it is owned by a public utility company or another taxpayer.

(c) A taxpayer is entitled to a deduction against the assessed value of tangible personal property equal to the greater of:

(1) zero (0); or

(2) the amount determined under subsection (d) or (e).

(d) The department of local government finance shall establish a method for computing a deduction for construction in process that results in an assessed value that is equal to the assessed value that would have been determined for the property under the personal property tax rules in effect for the 2001 assessment date.

(e) This subsection applies to tangible personal property that does not qualify as construction in process. The department of local government finance shall establish a method for computing a deduction for tangible personal property and mobile homes subject to assessment under IC 6-1.1-7 that results in the valuation of tangible personal property and mobile homes on a statewide basis at an amount that is equal to the assessed value that would have been determined for the tangible personal property and mobile homes under the personal property tax rules in effect for the 2001 assessment date.

(f) Each county auditor, with the assistance of the assessing officials in the county, shall review the personal property tax returns filed in the county for property taxes first due and payable in 2003. The county auditor shall identify each person owning property in the class of tangible personal property eligible for a deduction under this section and apply the deduction to the assessed value of the person's tangible personal property belonging to the class.

(g) Budgets, tax rates, and tax levies for 2003 must be computed using the assessed value of tangible personal property determined after the application of the deduction allowed under this section.

(h) This section expires January 1, 2004.

SECTION 27. IC 6-1.1-12-42 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 42. (a) This section applies to a multifamily dwelling complex.**

(b) The owner of a multifamily dwelling complex is entitled to a deduction from the assessed value of the multifamily dwelling complex equal to twenty-five thousand dollars ($25,000).

(c) A certificate of occupancy that complies with this subsection is prima facie evidence that the real property is a multifamily dwelling complex. To comply with this subsection, the certificate of occupancy must:

(1) be prepared on a form prescribed by the department of local government finance;

(2) be signed under penalties of perjury by owner of the multifamily dwelling complex or the principal officer of the entity owning the complex; and

(3) indicate that substantially all of the units in the multifamily dwelling complex were used as principal rental dwellings on an assessment date or within two (2) years before the assessment date.

(d) To obtain the deduction under this section, the:

(1) owner of the multifamily dwelling complex; or

(2) principal officer for the cooperative, common interest community, or owner's association owning the multi-family dwelling complex;

must file a certified application in duplicate, on forms prescribed by the department of local government finance, with the auditor of the county in which the property is subject to assessment. The certified application must be filed before May 11 in the year containing the assessment date to which the application applies.

(e) If the owner of the multifamily dwelling complex is eligible to receive:

(1) a homestead credit for the multifamily dwelling complex under IC 6-1.1-20.9; or

(2) the standard deduction for the multifamily dwelling complex under section 37 of this chapter;

the owner may not claim the deduction provided under this section.

(f) If the multifamily dwelling complex contains more than one (1) building with principal rental dwellings, the deduction provided this section shall be allocated among the tracts and buildings on the tracts in proportion to the assessed valuation of each tract and building.

SECTION 28. IC 6-1.1-12.1-4.5, AS AMENDED BY P.L.4-2000, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MARCH 1, 2002 (RETROACTIVE)]: Sec. 4.5. (a) For purposes of this section, "personal property" means personal

property other than inventory (as defined in IC 6-1.1-3-11(a)).

(b) An applicant must provide a statement of benefits to the designating body. The applicant must provide the completed statement of benefits form to the designating body before the hearing specified in section 2.5(c) of this chapter or before the installation of the new manufacturing equipment or new research and development equipment, or both, for which the person desires to claim a deduction under this chapter. The state board of tax commissioners shall prescribe a form for the statement of benefits. The statement of benefits must include the following information:

(1) A description of the new manufacturing equipment or new research and development equipment, or both, that the person proposes to acquire.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new research and development equipment;

an estimate of the number of individuals who will be employed or whose employment will be retained by the person as a result of the installation of the new manufacturing equipment or new research and development equipment, or both, and an estimate of the annual salaries of these individuals.

(3) An estimate of the cost of the new manufacturing equipment or new research and development equipment, or both.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, an estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products by the new manufacturing equipment.

With the approval of the state board of tax commissioners, the statement of benefits may be incorporated in a designation application. Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(c) The designating body must review the statement of benefits required under subsection (b). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

(1) Whether the estimate of the cost of the new manufacturing equipment or new research and development equipment, or both, is reasonable for equipment of that type.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new research and development equipment;

whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment or new research and development equipment, or both.

(3) Whether the estimate of the annual salaries of those individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment or new research and development equipment, or both.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, whether the estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products can be reasonably expected to result from the installation of the new manufacturing equipment.

(5) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed installation of new manufacturing equipment or new research and development equipment, or both.

(6) Whether the totality of benefits is sufficient to justify the deduction.

The designating body may not designate an area an economic revitalization area or approve the deduction unless it makes the findings required by this subsection in the affirmative.

(d) Except as provided in subsection (f), an owner of new manufacturing equipment whose statement of benefits is approved before May 1, 1991, is entitled to a deduction from the assessed value of that equipment for a period of five (5) years. Except as provided in subsections (f) and (i), an owner of new manufacturing equipment or new research and development equipment, or both, whose statement of benefits is approved after June 30, 2000, is entitled to a deduction from the assessed value of that equipment for the number of years determined by the designating body under subsection (h). Except as provided in subsections (f), ~~and~~ (g), **and (j)** and in section 2(i)(3) of this chapter, the amount of the deduction that an owner is entitled to for a particular year equals the product of:

(1) the assessed value of the new manufacturing equipment or new research and development equipment, or both, in the year ~~that the equipment is installed,~~ **of deduction under the table set forth in subsection (e), as adjusted under section 4.7 of this chapter;** multiplied by

(2) the percentage prescribed in the table set forth in subsection (e).

(e) The percentage to be used in calculating the deduction under subsection (d) is as follows:

(f) Notwithstanding subsections (d) and (e), a deduction under this section is not allowed in the first year the deduction is claimed for new manufacturing equipment or new research and development equipment, or both, to the extent that it would cause the assessed value of all of the personal property of the owner in the taxing district in which the equipment is located (excluding personal property that is assessed as construction in process) to be less than the assessed value of all of the personal property of the owner in that taxing district (excluding personal property that is assessed as construction in process) in the immediately preceding year.

(g) If a deduction is not fully allowed under subsection (f) in the first year the deduction is claimed, then the percentages specified in subsection (d) or (e) apply in the subsequent years to the amount of deduction that was allowed in the first year.

(h) For an economic revitalization area designated before July 1, 2000, the designating body shall determine whether a property owner whose statement of benefits is approved after April 30, 1991, is entitled to a deduction for five (5) or ten (10) years. For an economic revitalization area designated after June 30, 2000, the designating body shall determine the number of years the deduction is allowed. However, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

(1) as part of the resolution adopted under section 2.5 of this chapter; or

(2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the state board of tax commissioners. A certified copy of the resolution shall be sent to the county auditor and the state board of tax commissioners.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(i) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

(1) is convicted of a violation under IC 13-7-13-3 (repealed), IC 13-7-13-4 (repealed), or IC 13-30-6; or

(2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(j) The deduction determined under this subsection applies only to new manufacturing equipment or new research and development equipment, or both installed before March 2, 2001. The department of local government finance shall determine the deduction so that the amount of the deduction for the year bears the same proportion to the assessed value of the equipment for the year that the amount of the deduction determined for the year under this section as in effect on March 1, 2001, bears to the assessed value of the equipment determined for the year using 50 IAC 4.2 and 50 IAC 5.1 as in effect on January 1, 2001. The department of local government finance shall adopt rules under IC 4-22-2 for the implementation of this subsection.

SECTION 32. IC 6-1.1-15-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 11. If a review or appeal authorized under this chapter results in a reduction of the amount of an assessment or if the ~~state board of tax commissioners~~ **department of local government finance** on its own motion reduces an assessment, the taxpayer is entitled to a credit in the amount of any overpayment of tax on the next successive tax installment, if any, due in that year. If, after the credit is given, a further amount is due the taxpayer, he may file a claim for the amount due. If the claim is allowed by the board of county commissioners, the county auditor shall, without an appropriation being required, pay the amount due the taxpayer. The county auditor shall charge the amount refunded to the taxpayer against the accounts of the various taxing units to which the overpayment has been paid. **The county auditor shall report to the department of state revenue any refund or credit to a taxpayer made under this section resulting from a reduction of the amount of an assessment of business personal property (as defined in IC 6-3.1-24-2).**

SECTION 35. IC 6-1.1-18.5-9.7, AS AMENDED BY P.L.273-1999, SECTION 55, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 9.7. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed under any of the following:

~~(1)~~ IC ~~12-16, except IC 12-16-1,~~

~~(2)~~ **(1)** IC 12-19-5.

~~(3)~~ **(2)** IC 12-19-7.

~~(4)~~ **(3)** IC 12-20-24.

(b) For purposes of computing the ad valorem property tax levy limits imposed under section 3 of this chapter, a county's or township's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under the citations listed in subsection (a).

(c) Section 8(b) of this chapter does not apply to bonded indebtedness that will be repaid through property taxes imposed under IC 12-19.

SECTION 36. IC 6-1.1-18.6-2, AS AMENDED BY P.L.273-1999, SECTION 56, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2. A county may not impose a county family and children property tax levy for an ensuing calendar year that exceeds the product of:

county could have imposed for the calendar year immediately preceding the ensuing calendar year under the limitations set by this section.

SECTION 37. IC 6-1.1-18.6-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3. (a) A county may increase its maximum county family and children property tax levy for an ensuing calendar year if in the judgment of the county fiscal body the increase is necessary to pay the obligations that will be incurred by the county for children in need of services under IC 31-34-1-1 through IC 31-34-1-9 and delinquent children as described under IC 31-37-1 or IC 31-37-2 during the ensuing calendar year. The maximum increase that the county fiscal body may recommend for a county may not exceed:

(1) **fifty percent (50%) of** the county's expected obligations under IC 31-34-1-1 through IC 31-34-1-9, IC 31-37-1, and IC 31-37-2 for the ensuing calendar year; minus

(2) the portion of the county's family and children's fund levy for the year preceding the ensuing calendar year that was available to pay obligations under IC 31-34-1-1 through IC 31-34-1-9, IC 31-37-1, and IC 31-37-2.

(b) In making its recommendation, the county fiscal body shall consider the county's estimate of expected obligations under IC 31-34-1-1 through IC 31-34-1-9, IC 31-37-1, and IC 31-37-2 but may make adjustments to the county's estimate.

(c) The decision of the county fiscal body under this section is a final determination that may not be appealed.

SECTION 38. IC 6-1.1-19-1.5, AS AMENDED BY P.L.291-2001, SECTION 89, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 1.5. (a) The following definitions apply throughout this section and IC 21-3-1.7:

STEP ONE: Determine the result of:

(B) the school corporation's previous year property tax rate.

STEP TWO: Determine the result of:

(A) the school corporation's target general fund property tax rate determined under IC 21-3-1.7-6.8; multiplied by

(B) the quotient resulting from:

(i) the absolute value of the result of the school corporation's adjustment factor minus one (1); divided by

(ii) two (2).

STEP THREE: If the school corporation's adjusted target property tax rate:

(B) is less than the school corporation's previous year property tax rate, perform the calculation under STEP FIVE and not under STEP FOUR; or

(C) equals the school corporation's previous year property tax rate, determine the levy resulting from using the school corporation's adjusted target property tax rate and do not perform the calculation under STEP FOUR or STEP FIVE.

~~The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under clause (C) in 2002 and in 2003.~~

STEP FOUR: Determine the levy resulting from using the school corporation's previous year property tax rate after increasing the rate by the lesser of:

(A) the STEP ONE result; or

(i) five cents ($0.05); plus

(ii) if the school corporation's adjustment factor is more than one (1), the STEP TWO result.

(B) the sum of:

(i) nine cents ($0.09); plus

(ii) if the school corporation's adjustment factor is less than one (1), the STEP TWO result.

~~The school corporation's 2002 assessed valuation shall be used for purposes of determining the levy under this STEP in 2002 and in 2003.~~

STEP SIX: **For a calendar year beginning after December 31, 2003, determine the levy resulting from using the school corporation's previous year property tax rate after reducing the rate by the absolute value of the STEP ONE result.**

STEP SEVEN: Determine the result of:

(A) the STEP THREE (C), STEP FOUR, ~~or~~ STEP FIVE, **or STEP SIX** result, whichever applies; plus

(B) an amount equal to the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.

The maximum levy is to include the portion of any excessive levy and the levy for new facilities.

(c) For purposes of this section, "total assessed value", as adjusted under subsection (d), with respect to a school corporation means the total assessed value of all taxable property for ad valorem property taxes first due and payable during that year.

(d) The ~~state board of tax commissioners~~ **department of local government finance** may adjust the total assessed value of a school corporation to eliminate the effects of appeals and settlements arising from a statewide general reassessment of real property.

(e) The ~~state board~~ **department of local government finance** shall annually establish an assessment ratio and adjustment factor for each school corporation to be used upon the review and recommendation of the budget committee. The information compiled, including background documentation, may not be used in a:

(1) review of an assessment under IC 6-1.1-8, IC 6-1.1-13, IC 6-1.1-14, or IC 6-1.1-15;

(2) petition for a correction of error under IC 6-1.1-15-12; or

(3) petition for refund under IC 6-1.1-26.

(f) All tax rates shall be computed by rounding the rate to the nearest one-hundredth of a cent ($0.0001). All tax levies shall be computed by rounding the levy to the nearest dollar amount.

(g) The department of local government finance shall apply this section to:

(1) determine a school corporation's general fund ad valorem property tax levy for taxes due and payable after December 31, 2003; and

(2) effectuate the legislative intent of reducing each school corporation's general fund ad valorem property tax levy by fifty percent (50%) beginning January 1, 2004.

SECTION 39. IC 6-1.1-20.9-2, AS AMENDED BY P.L.291-2001, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the

individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

(1) the percentage prescribed in subsection (d); multiplied by

(2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is attributable to the homestead during the particular calendar year.

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

YEAR	PERCENTAGE OF THE CREDIT
1996	8%
1997	6%
1998 through 2003	10%
2004 and thereafter	~~4%~~ **15%**

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.

(g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:

(1) an individual uses the residence as the individual's principal place of residence;

(2) the residence is located in Indiana;

(3) the individual has a beneficial interest in the taxpayer;

(4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence; and

(5) the residence consists of a single-family dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

SECTION 40. IC 6-1.1-20.9-2.5 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: **Sec. 2.5. (a) Notwithstanding section 2 of this chapter, an individual's homestead credit computed under section 2 of this chapter for property taxes first due and payable in 2004, 2005, and 2006 is increased by the amount determined under STEP FIVE of the following formula:**

STEP ONE: Determine the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, that is attributable to the individual's homestead in the current year.

STEP TWO: Subtract from the STEP ONE amount that part, if any, of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, that is attributable to the individual's homestead in the current year as a result of improvements or additions to the individual's homestead after the 2002 assessment date.

STEP THREE: Determine the amount of property tax liability, as that term is defined in IC 6-1.1-21-5, that was attributable to the property described in STEP ONE during 2003.

STEP FOUR: Subtract the STEP THREE amount from the STEP TWO remainder.

STEP FIVE: If the STEP FOUR remainder is greater than zero (0), the amount of the increase is equal to:

(A) twenty-five percent (25%) of the STEP FOUR remainder in 2004;

(B) eighteen percent (18%) of the STEP FOUR remainder in 2005;

(C) nine percent (9%) of the STEP FOUR remainder in 2006.

If the STEP FOUR remainder is less than zero (0), the amount of the increase is equal to zero (0).

(b) The department of local government finance may adopt rules under IC 4-22-2 to implement this section.

(c) This section expires January 1, 2006.

SECTION 41. IC 6-1.1-21-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3. (a) On or before March 1 of each year, the state board of tax commissioners shall certify to the department on a form approved by the state board of accounts, an estimate of the total county tax levy collectible in that calendar year for each county in the state. The estimate shall be based on the tax collections for the preceding calendar year, adjusted as necessary to reflect the total county tax levy (as defined in section 2(g) of this chapter) from the budgets, tax levies, and rates as finally determined and acted upon by the state board of tax commissioners. The department, with the assistance of the auditor of state, shall determine on the basis of the report an amount equal to ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of the total county tax levy, which is the estimated property tax replacement.

(b) In the same report containing the estimate of a county's total county tax levy, the state board of tax commissioners shall also certify the amount of homestead credits provided under IC 6-1.1-20.9 which are allowed by the county for the particular calendar year.

(c) If there are one (1) or more taxing districts in the county that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter, the state board of tax commissioners shall estimate an additional distribution for the county in the same report required under subsection (a). This additional distribution equals the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Estimate that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the estimated property tax replacement determined under subsection (a) that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the property taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(d) The sum of the amounts determined under subsections (a) through (c) is the particular county's estimated distribution for the calendar year.

SECTION 42. IC 6-1.1-21-4, AS AMENDED BY P.L.198-2001, SECTION 59, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

(1) ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year; ~~plus~~

(2) the total amount of homestead tax credits that are provided

under IC 6-1.1-20.9 and allowed by each county for that year; plus

(3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the property taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. The amount of the distribution for each of these periods shall be according to a schedule determined by the property tax replacement fund board under section 10 of this chapter. The estimated distribution for each county may be adjusted from time to time by the department to reflect any changes in the total county tax levy upon which the estimated distribution is based.

(c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments included in the December settlement sheet for the year, and such additional information as the department may require.

(d) All distributions provided for in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

(e) Except as provided in subsection (i), the department shall not distribute under subsection (b) and section 10 of this chapter the money attributable to the county's property reassessment fund if, by the date the distribution is scheduled to be made, the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1 to the department of local government finance.

(f) Except as provided in subsection (i), if the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor has not transmitted to the department of local government finance by October 1 of the year in which the distribution is scheduled to be made the data for all townships in the county required to be transmitted under IC 6-1.1-4-25(b), the state board or the department shall not distribute under subsection (b) and section 10 of this chapter a part of the money attributable to the county's property reassessment fund. The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by August 1 as described in this section bears to the total number of townships in the county.

(g) Money not distributed under subsection (e) shall be distributed to the county when the county auditor sends to the department of local government finance the certified statement required to be sent under IC 6-1.1-17-1 with respect to which the failure to send resulted in the withholding of the distribution under subsection (e).

(h) Money not distributed under subsection (f) shall be distributed to the county when the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor transmits to the department of local government finance the data required to be transmitted under IC 6-1.1-4-25(b) with respect to which the failure to transmit resulted in the withholding of the distribution under subsection (f).

(i) The restrictions on distributions under subsections (e) and (f) do not apply if the department of local government finance determines that:

(1) the failure of a county auditor to send a certified statement as described in subsection (e); or

(2) the failure of an official to transmit data as described in subsection (f);

is justified by unusual circumstances.

SECTION 43. IC 6-1.1-21-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 5. (a) Each year the taxpayers of each county shall receive a credit for property tax replacement in the amount of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of the tax liability (as defined in this section) of each taxpayer for taxes which under IC 6-1.1-22-9 are due and payable in May and November of that year. The credit shall be applied to each installment of taxes. The dollar amount of the credit for each taxpayer shall be determined by the county auditor, based on data furnished by the state board of tax commissioners. The tax liability of a taxpayer for the purpose of computing the credit for a particular year shall be based upon the taxpayer's tax liability as is evidenced by the tax duplicate for the taxes payable in that year, plus the amount by which the tax payable by the taxpayer had been reduced due to the application of county adjusted gross income tax revenues to the extent the county adjusted gross income tax revenues were included in the determination of the total county tax levy for that year, as provided in sections 2(g) and 3 of this chapter, adjusted, however, for any change in assessed valuation which may have been made pursuant to a post-abstract adjustment if the change is set forth on the tax statement or on a corrected tax statement stating the taxpayer's tax liability, as prepared by the county treasurer in accordance with IC 6-1.1-22-8(a). However, the tax liability of a taxpayer does not include the amount of any property tax owed by the taxpayer that is attributable to that part of any property tax levy subtracted under section 2(g)(1)(B), 2(g)(1)(C), 2(g)(1)(D), 2(g)(1)(E), 2(g)(1)(F), 2(g)(1)(G), (2)(g)(1)(H), 2(g)(1)(I), ~~or~~ 2(g)(1)(J), **or 2(g)(1)(K)** of this chapter in computing the total county tax levy.

(b) The credit for taxes payable in a particular year with respect to mobile homes which are assessed under IC 6-1.1-7 is ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of the taxes payable with respect to the assessments plus the adjustments stated in this section.

(c) Each taxpayer in a taxing district that contains all or part of an economic development district that meets the requirements of section 5.5 of this chapter is entitled to an additional credit for property tax replacement. This credit is equal to the product of:

(1) the STEP TWO quotient determined under section 4(a)(3) of this chapter for the taxing district; multiplied by

(2) the taxpayer's property taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

Sec. 9. (a) The governing body may impose a special tax in a year to pay amounts due on obligations of the governing body in the immediately succeeding year. The governing body may levy the special tax on all property in the taxing district or taxing districts in which the allocation area is located. The special tax shall be certified before September 2 of each year to the fiscal officer of the taxing unit that designated the allocation area. The special tax shall be estimated and entered upon the tax duplicates by the county auditor and shall be collected and enforced by the county treasurer in the same manner as state and county taxes are estimated, entered, collected, and enforced.

(b) As the special tax is collected by the county treasurer, it shall be transferred to the governing body that imposed the special tax and accumulated and kept in the special fund for the allocation area and applied only for the purposes of this chapter.

(c) The governing body shall determine the special tax levy for a year in the amount of the lesser of:

(1) the total payments due on the obligations of the governing body in the year minus the amounts the governing body estimates will be legally available to the governing body in the year to make the payments; and

(2) except as provided in subsection (d), the amount that will result from the imposition of a rate for the special tax levy that the county auditor estimates will cause the total tax rate in the taxing district in which the allocation area is located to be one hundred ten percent (110%) of the rate that would apply if the rate for the special tax levy were not imposed for the year.

(d) If the allocation area is located in more than one (1) taxing district, the special tax levy amount determined under subsection (c)(2) shall be based on the taxing district that will, without consideration of the rate for the special tax levy, have the highest tax rate in the year in which the special tax levy is payable.

(e) In estimating the amount legally available under subsection (c)(1), the governing body shall not consider the remedies referred to in section 10(b)(6) of this chapter.

Sec. 10. (a) Before October 2 in a year, a governing body that has:

(1) imposed a special tax levy under section 9 of this chapter payable in the immediately succeeding year to raise revenue to pay amounts due on obligations of the governing body in the immediately succeeding year; and

(2) investigated its ability to employ all remedies available under the agreements establishing obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations;

may appeal to the department for emergency relief under this chapter to provide sufficient additional funds to pay amounts due on the obligations in the immediately succeeding year.

(b) In the petition under this section, the governing body must state sufficient facts to demonstrate the following:

(1) The petitioner is a governing body.

(2) The petitioner established an allocation area before January 1, 2002.

(3) The holders of obligations payable from tax increment

revenues from the allocation area received a pledge before January 1, 2002, of tax increment revenues to pay any part of the obligations due after December 31, 2002.

(4) A change in the determination of the assessed value of tangible personal property resulting from a change in the rules governing the assessment of tangible personal property in effect on January 1, 2001 (50 IAC 5.1; 50 IAC 4.2) causes the governing body to be unable to pay amounts due on the obligations of the governing body in the immediately succeeding year.

(5) The governing body has imposed a special tax under section 9 of this chapter to pay amounts due on obligations of the governing body in the immediately succeeding year.

(6) The governing body has investigated its ability to employ all remedies available under the agreements establishing the obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations.

(7) The governing body has investigated the availability of all funds legally available to the governing body for the payment of amounts due on the obligations of the governing body in the immediately succeeding year, including funds derived from the denial of all or a part of an additional credit to taxpayers in the allocation area.

(8) The governing body has reasonably determined that refinancing one (1) or more of the obligations of the governing body is not an economically feasible means of providing sufficient funds to pay amounts due on the obligations in the immediately succeeding year.

(9) The governing body has made reasonable efforts to limit its use of the special fund for the allocation area to appropriations for payments of amounts due on obligations of the governing body.

(10) The balance in the special fund for the allocation area in the immediately succeeding year will be insufficient to pay amounts due on the obligations of the governing body in that year.

(11) A property tax payer located in any part in the allocation area was not the original purchaser and does not own any of the obligations of the governing body or rights to payment of any of the obligations.

(12) The governing body is unable to provide sufficient funds to pay amounts due on the obligations of the governing body in the immediately succeeding year.

(13) A copy of the petition has been served on the executive of each taxing unit in which any part of the allocation area is located.

(14) The governing body at the time of issuance of the obligations:

(A) reasonably estimated that the revenue legally available to pay the obligations would be adequate to pay the obligations over the term of the obligations; and

(B) pledged as additional security for the payment of the obligations a reasonable amount of coverage of revenue legally available in excess of the amount necessary to pay the obligations.

(15) The number of subsequent years the governing body estimates it will appeal under this section.

Sec. 11. The department shall conduct a hearing on the petition in the county where the allocation area is located. At the hearing, the petitioner and any other person my submit any information relevant to the determination of the issues raised in the petition.

Sec. 12. (a) If, after the hearing and upon consideration of all of the factors referred to in section 10(b) of this chapter, the department determines that the requirements of this chapter have been met, the department may order any of the emergency relief described in section 13 of this chapter for the immediately succeeding year.

(b) The amount of emergency relief ordered under this section may not exceed:

(1) the amount the governing body is obligated to pay on obligations in the immediately succeeding year; minus

(2) the amount of the special tax levy under section 9 of this chapter payable in the immediately succeeding year.

Sec. 13. The department may grant any of the following relief:

(1) Adjust the base assessed value in the allocation area.

(2) Reallocate amounts set aside for property tax credits described in IC 6-1.1-21.1-1 for property located in the allocation area to be used to pay obligations of the governing body.

(3) Order distributions from the tax relief fund established under IC 4-10-20-9.

SECTION 45. IC 6-1.1-21.5-5, AS AMENDED BY P.L.291-2001, SECTION 209, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 5. (a) The board shall determine the terms of a loan made under this chapter. However, interest may not be charged on the loan, and the loan must be repaid not later than ten (10) years after the date on which the loan was made.

(b) The loan shall be repaid ~~only~~ from:

(1) property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5 or IC 6-1.1-19; **or**

(2) state tuition support distributions.

The payment of any installment of principal constitutes a first charge against such property tax revenues as collected by the qualified taxing unit during the calendar year the installment is due and payable.

(c) The obligation to repay the loan is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section may not be construed to prevent the qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

SECTION 8. IC 6-1.1-21.8 IS ADDED TO THE INDIANA CODE AS A **NEW** CHAPTER TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]:

Chapter 21.8. Rainy Day Fund Loans to Qualified Taxing Units

Sec. 1. As used in this chapter, "board" refers to the state board of finance.

Sec. 2. As used in this chapter, "qualified taxing unit" means a taxing unit located in a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000).

Sec. 3. Before January 1, 2003, a qualified taxing unit may apply to the board for a loan from the counter-cyclical revenue and economic stabilization fund. The board may make a loan from the fund to the taxing unit if:

(1) a taxpayer having tangible property subject to taxation by the qualified taxing unit has filed a petition to reorganize under the federal bankruptcy code;

(2) the taxpayer has defaulted on one (1) of its property tax payments;

(3) the qualified taxing unit has experienced and will continue to experience a significant revenue shortfall as a result of the default; and

(4) the taxpayer is a steel manufacturer.

Sec. 4. The maximum amount that the board may loan to a qualified taxing unit under this chapter is the amount of the taxpayer's property taxes due and payable in November 2001 that attributable to the qualified taxing unit, as determined by the department of local government finance.

Sec. 5. (a) The board shall determine the terms of a loan made under this chapter. However, the interest charged on the loan

may not exceed the percent of increase in the United States Department of Labor Consumer Price Index during the twelve (12) months preceding the date that the unit applies for a loan under this chapter. The loan must be repaid not later than five (5) years after the date on which the loan was made. The total amount of all the loans made under this chapter may not exceed ten million three hundred thousand dollars ($10,300,000).

(b) A loan made under this chapter shall be repaid only from property tax revenues of the qualified taxing unit that are subject to the levy limitations imposed by IC 6-1.1-18.5 or IC 6-1.1-19. The payment of any installment of principal constitutes a first charge against the property tax revenues collected by the qualified taxing unit during the calendar year in which the installment is due and payable.

(c) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 6-1.1-19.

(d) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(e) This section may not be construed to prevent a qualified taxing unit from repaying a loan made under this chapter before the date specified in subsection (a) if a taxpayer described in section 3 of this chapter resumes paying property taxes to the qualified taxing unit.

Sec. 6. (a) As used in this section, "delinquent tax" means any tax:

(1) owed by a taxpayer in a bankruptcy proceeding initially filed in 2001; and

(2) not paid during the calendar year for which it was first due and payable.

(b) The receipt by a qualified taxing unit of the proceeds of a loan made under this chapter is not considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7. The receipt by a qualified taxing unit of any payment of delinquent tax owed by a taxpayer in bankruptcy is considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7.

(c) The proceeds of a loan made under this chapter and any payment of delinquent tax may be expended by a qualified taxing unit only to pay debts of the qualified taxing unit that have been incurred under duly adopted appropriations approved by the department of local government finance for operating expenses.

(d) If the sum of the receipts of a qualified taxing unit that are attributable to:

(1) the proceeds of a loan made under this chapter; and

(2) the payment of property taxes owed by a taxpayer in a bankruptcy proceeding and payable in November 2001;

exceeds the taxpayer's property tax liability attributable to the qualified taxing unit, the excess as received during any calendar year or years shall be set aside and treated for the calendar year when received as a levy excess subject to IC 6-1.1-18.5-17 or IC 6-1.1-19-1.7. In calculating the payment of property taxes referred to in subdivision (2), the amount of property tax credit finally allowed under IC 6-1.1-21-5 concerning the taxes is considered to be a payment of the property taxes.

SECTION 46. IC 6-1.1-26-7 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: **Sec. 7. The county auditor shall report to the department of state revenue any refund to a taxpayer made under this chapter resulting from a reduction of the amount of an assessment of business personal property (as defined in IC 6-3.1-24-2).**".

"SECTION 39. IC 6-1.1-39-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 6. (a) An economic development district may be enlarged by the fiscal body by following the same procedure for the creation of an economic development district specified in this chapter. Property taxes that are attributable to the additional area and allocable to the economic development district are not eligible for the property tax replacement credit provided by IC 6-1.1-21-5. However, subject to subsection (c), each taxpayer in an additional area is entitled to an additional credit for property taxes that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district in a county that contains all or part of the additional area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) (as defined in IC 6-1.1-21-2) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of the county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to a special fund under section 5 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the economic development district and paid into a special fund under section 5(a) of this chapter.

(b) If the additional credit under subsection (a) is not reduced under subsection (c) or (d), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (a) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an additional area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (a) shall be combined on the tax statements sent to each taxpayer.

(c) The county fiscal body may, by ordinance, provide that the additional credit described in subsection (a):

(1) does not apply in a specified additional area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a specified additional area.

(d) Whenever the county fiscal body determines that granting the full additional credit under subsection (a) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that economic development district in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the county fiscal body must adopt an ordinance under subsection (c) to deny the additional credit or reduce the additional credit to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. An ordinance adopted under subsection (c) denies or reduces the additional credit for property taxes first due and payable in any year following the year in which the ordinance is adopted.

(e) An ordinance adopted under subsection (c) remains in effect until the ordinance is rescinded by the body that originally adopted the ordinance. However, an ordinance may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that economic development district in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If an ordinance is rescinded and no other ordinance is adopted, the additional credit described in subsection (a) applies to property taxes first due and payable in each year following the year in which the resolution is rescinded.

SECTION 47. IC 6-1.1-44 IS ADDED TO THE INDIANA CODE AS A **NEW** CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]:

(A) of:

(i) fifty percent (50%) the amount levied by the county for ad valorem property taxes in the year for the county's family and children's fund (IC 12-19-7-3) and the amount of any loans or bonds issued to pay obligations of the fund in the year;

(B) the amounts levied by all the taxing units in the county for ad valorem property taxes for the year plus the amount of any loans or bonds issued to pay obligations of the family and children's fund in the year.

STEP TWO: Determine the sum of the results determined under STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount of the miscellaneous tax that would otherwise be distributed to all taxing units in the county under the law establishing the miscellaneous tax without regard to this section.

STEP FIVE: Determine the result of:

(A) the STEP FOUR amount; multiplied by

(B) the STEP THREE result.

STEP SIX: Determine the greater of:

(A) zero (0); or

(B) the STEP FIVE amount.

Sec. 9. For each miscellaneous tax, the education allocation for a county is equal to the result determined under STEP SIX of the following formula:

STEP ONE: Using data about ad valorem property tax levies for calendar years 2001, 2002, and 2003, determine the result of:

(A) fifty percent (50%) of the part of the tuition support levy (as defined in IC 21-3-1.7-5) levied in the county for each school corporation that is at least partially located in the county; divided by

(B) the amounts levied for ad valorem property taxes by all the taxing units in the county for the year.

STEP TWO: Determine the sum of the results determined under STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount of the miscellaneous tax that would otherwise be distributed to all taxing units in the county under the law establishing the miscellaneous tax without regard to this section.

STEP FIVE: Determine the result of:

(A) the STEP FOUR amount; multiplied by

(B) the STEP THREE result.

STEP SIX: Determine the greater of:

(A) zero (0); or

(B) the STEP FIVE amount.

Sec. 10. The total levy miscellaneous tax allocation, the welfare revenue determinations, the human service fund revenue determinations, and the education revenue determinations shall be used, as provided in each law establishing a miscellaneous tax, to determine the amount of tax proceeds to be distributed to the state and to each county.

Chapter 4. Accounting Practices

Sec. 1. A taxpayer's taxable year under this article is the year that a taxpayer uses for its annual financial statements. If a taxpayer does not prepare annual financial statements, the taxpayer's taxable year under this article is a calendar year.

Sec. 2. Subject to this article, if a taxpayer prepares its annual financial statements using generally accepted accounting principles applicable to the United States, or another entity includes the financial results of the taxpayer in consolidated financial statements prepared in accordance with generally accepted accounting principles applicable to the United States, the taxpayer shall compute the taxpayer's taxable net worth and any credits allowed against the business franchise tax using generally accepted accounting principles applicable to the United States. If generally accepted accounting principles allow more than one (1) method of accounting for the net worth of a taxpayer, the taxpayer shall use for purposes of this article the same method of accounting that the taxpayer uses to prepare the taxpayer's annual financial statements.

Sec. 3. If section 2 of this chapter does not apply, the taxpayer shall compute the taxpayer's taxable net worth and any credits using:

(1) the same method of accounting that the taxpayer uses for filing a return for federal income tax purposes; or

(2) if the taxpayer does not file a return for federal income tax purposes, a method of accounting consistent with the requirements of Section 446 of the Internal Revenue Code.

Sec. 4. The taxable net worth of a taxpayer for a taxable year is the taxable net worth of the taxpayer on the last day immediately preceding the beginning of the taxpayer's taxable year.

Chapter 5. Net Worth

Sec. 1. The net worth of a taxpayer is the greater of the following:

(1) The difference between the taxpayer's total assets and the taxpayer's total liabilities.

(2) Zero (0).

Sec. 2. Notwithstanding any other law, none of the net worth of a taxpayer is exempt from taxation under this article.

Sec. 2. A taxpayer may deduct the book value of the taxpayer's ownership interest that the taxpayer has in another business entity from the net worth of the taxpayer if:

(1) the taxpayer's ownership interest constitutes at least twenty percent (20%) of the total ownership of the business entity; and

(2) the value of the taxpayer's ownership interest in the

other business entity would otherwise be included in the net worth of the taxpayer.

A deduction shall be allowed under this section only to the extent that the deduction does not result in a business franchise tax for the taxpayer in a taxable year that is less than two thousand five hundred dollars ($2,500).

Chapter 7. Apportionment of Net Worth

Sec. 1. The taxable net worth of a taxpayer is equal to the adjusted net worth of the taxpayer multiplied by an apportionment factor.

Sec. 2. The apportionment factor for a taxpayer that is doing business only in Indiana is one (1).

Sec. 3. (a) The apportionment factor for a taxpayer that is doing business both in Indiana and outside Indiana is a fraction.

(b) Subject to this chapter, the numerator of the fraction is the sum of the property factor, payroll factor, and receipts factor determined under this chapter.

(c) Subject to this chapter, the denominator of the fraction is three (3). However, if the taxpayer lacks one (1) of the factors applicable to the numerator, the denominator is two (2), and if the taxpayer lacks more than one (1) of the factors applicable to the numerator, the denominator is one (1).

(d) Nonbusiness receipts or property may not be excluded from the numerator or denominator computed under this chapter.

Sec. 4. (a) The property factor is a fraction.

(b) The numerator of the property factor fraction is the average value of the taxpayer's real and tangible personal property owned or rented and used in Indiana during the immediately preceding taxable year.

(c) The denominator of the property factor fraction is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the immediately preceding taxable year.

(d) Property owned by the taxpayer is valued at its original cost.

(e) Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(f) The average value of property shall be determined by averaging the values at the beginning and end of the taxpayer's immediately preceding taxable year, but the department may require the averaging of monthly values during the immediately preceding taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

Sec. 5. (a) The payroll factor is a fraction.

(b) The numerator of the payroll fraction is the total amount paid in Indiana during the immediately preceding taxable year by the taxpayer for compensation.

(c) The denominator of the payroll fraction is the total compensation paid everywhere during the immediately preceding taxable year.

(d) Compensation is paid in Indiana if:

(1) the individual's service is performed entirely in Indiana;

(2) the individual's service is performed both in and outside Indiana but the service performed outside Indiana is incidental to the individual's service in Indiana; or

(3) some of the service is performed in Indiana and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in Indiana; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of Indiana.

Sec. 6. (a) The receipts factor is a fraction.

(b) The numerator of the receipts factor fraction is the total receipts of the taxpayer in Indiana during the immediately preceding taxable year.

(c) The denominator of the receipts factor fraction is the total receipts of the taxpayer everywhere during the immediately preceding taxable year.

Sec. 7. (a) The receipts factor includes receipts from intangible property and receipts from the sale or exchange of intangible property.

(b) Receipts from intangible personal property are derived from sources in Indiana if the receipts from the intangible personal property are attributable to Indiana under section 8 of this chapter.

(c) Sales of tangible personal property are in Indiana if:

(1) the property is delivered or shipped to a purchaser, other than the United States government, in Indiana, regardless of the f.o.b. point or other conditions of the sale; or

(2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in Indiana and:

(A) the purchaser is the United States government; or

(B) the taxpayer is not taxable, as determined under section 10 of this chapter, in the state of the purchaser.

(d) Gross receipts derived from commercial printing that results in printed materials, excluding the business of photocopying, shall be treated as receipts of tangible personal property for purposes of this chapter.

(e) Receipts other than receipts from intangible property covered by subsection (b) and receipts of tangible personal property are in Indiana if:

(1) the activity producing the receipts is performed in Indiana; or

(2) the activity producing the receipts is performed both in and outside Indiana and a greater proportion of the activity producing the receipts is performed in Indiana than in any other state, based on costs of performance.

Sec. 8. (a) Interest and other receipts from assets in the nature of loans or installment receipts contracts that are primarily secured by or deal with real or tangible personal property are attributable to Indiana if the security or sale property is located in Indiana.

(b) Interest and other receipts from consumer loans not secured by real or tangible personal property are attributable to Indiana if the loan is made to a resident of Indiana, whether at a place of business, by a traveling loan officer, by mail, by telephone, or by other electronic means.

(c) Interest and other receipts from commercial loans and installment obligations not secured by real or tangible personal property are attributable to Indiana if the proceeds of the loan are to be applied in Indiana. If it cannot be determined where the funds are to be applied, the receipts are attributable to the state in which the business applied for the loan. As used in this section, "applied for" means initial inquiry (including customer assistance in preparing the loan application) or submission of a completed loan application, whichever occurs first.

(d) Interest, merchant discount, and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees are attributable to the state to which the card charges and fees are regularly billed.

(e) Receipts from the performance of fiduciary and other services are attributable to the state in which the benefits of the services are consumed. If the benefits are consumed in more than one (1) state, the receipts from those benefits are attributable to Indiana on a pro rata basis according to the part of the benefits consumed in Indiana.

(f) Receipts from the issuance of traveler's checks, money orders, or United States savings bonds are attributable to the state in which the traveler's checks, money orders, or bonds are purchased.

(g) Receipts in the form of dividends from investments are attributable to Indiana if the taxpayer's commercial domicile is in Indiana.

Sec. 9. (a) Receipts from rents and royalties from real or tangible personal property, sale of capital assets, interest, dividends, or patent or copyright royalties, to the extent that

they constitute nonbusiness income (as defined in IC 6-3-1-21), are attributed as provided in this section.

(b) Receipts from net rents and royalties from real property located in Indiana are attributable to Indiana.

(c) Receipts from net rents and royalties from tangible personal property are attributed to Indiana:

(1) if and to the extent that the property is used in Indiana; or

(2) in their entirety if the taxpayer's commercial domicile is in Indiana and the taxpayer is not organized under the laws of or taxable in the state in which the property is used.

(d) The extent of use of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction. The numerator of the fraction is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year. The denominator of the fraction is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or not ascertainable by the taxpayer, tangible personal property is used in the state in which the property was located at the time the rental or royalty payer obtained possession.

(e) Receipts from the sales of real property located in Indiana are attributable to Indiana.

(f) Receipts from sales of tangible personal property are attributable to Indiana if:

(1) the property had a situs in Indiana at the time of the sale; or

(2) the taxpayer's commercial domicile is in Indiana and the taxpayer is not taxable in the state in which the property had a situs as determined under section 10 of this chapter.

(g) Receipts from intangible personal property are attributable to Indiana if the taxpayer's commercial domicile is in Indiana.

(h) Receipts from interest and dividends are attributable to Indiana if the taxpayer's commercial domicile is in Indiana.

(i) Patent and copyright royalties are attributable to Indiana:

(1) if and to the extent that the patent or copyright is used by the taxpayer in Indiana; or

(2) if and to the extent that the patent or copyright is used by the taxpayer in a state in which the taxpayer is not taxable as determined under section 10 of this chapter and the taxpayer's commercial domicile is in Indiana.

A patent is used in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of use, the patent is used in the state in which the taxpayer's commercial domicile is located. A copyright is used in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of use, the copyright is used in the state in which the taxpayer's commercial domicile is located.

Sec. 10. For purposes of apportionment of income or receipts under this chapter, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a franchise tax measured by net worth, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net worth tax regardless of whether, in fact, the state does or does not.

Sec. 11. (a) The property factor in the numerator of the apportionment factor for a transportation company is computed as follows:

(1) Fixed properties such as buildings and land used in business, shop, and terminal equipment and trucks or cars used locally or any other tangible property connected with the transportation business is assigned to the state in which the properties are located.

(2) The value of all movable equipment used in interstate transportation is assigned to Indiana on the basis of total miles traveled in Indiana as compared with total miles traveled everywhere.

(3) Fixed and movable property is combined to arrive at the total property factor: Indiana property over property everywhere.

Property owned by the transportation company is valued at original cost. Property rented is valued at eight (8) times the annual rental rate less any annual subrental.

(b) The payroll factor in the numerator of the apportionment factor for a transportation company is computed as follows:

(1) Wages and salaries of employees assigned to fixed locations in Indiana are included in the payroll factor of Indiana.

(2) Wages of personnel operating interstate transportation equipment are assigned to Indiana on the basis of total miles traveled in Indiana as compared to total miles traveled everywhere.

(3) The payroll of permanent and transient personnel is combined to arrive at the total payroll factor: Indiana payroll over payroll everywhere.

(c) The receipts factor in the numerator of the apportionment factor for a transportation company is computed as follows:

(1) The total revenue dollars from transportation (both intrastate and interstate) are assigned to the states traversed on the basis of class or category mileage in each state in which or through which the freight or passengers move.

(2) Pipelines may substitute revenue miles with barrel miles, cubic foot miles, or other appropriate measures of product movement.

(3) In order to determine the percentage of revenue from transportation services in Indiana, the fraction of revenue miles in Indiana over revenue miles everywhere must be applied to total revenue from transportation.

Chapter 8. Taxable Adjusted Gross Income

Sec. 1. For purposes of this article, the taxable adjusted gross income of a taxpayer in a taxable year is equal to the adjusted gross income of the taxpayer for the taxable year as adjusted by this chapter.

Sec. 2. A taxpayer shall be treated as having taxable adjusted gross income for a taxable year under this chapter, even if the taxpayer does not have adjusted gross income tax due under IC 6-3 for that taxable year or the business entity is a pass through entity that is not obligated to pay adjusted gross income tax under IC 6-3.

Sec. 3. (a) This section applies to a member of an affiliated group as determined under IC 6-3-4-14.

(b) A taxpayer shall compute taxable adjusted gross income separately for the business entity as if the taxpayer were not part of an affiliated group. IC 6-3-4-14 (consolidated returns) does not apply to this article.

Sec. 4. (a) This section applies both to business income (as defined in IC 6-3-1-20) and nonbusiness income (as defined in IC 6-3-1-21).

(b) Only adjusted gross income derived from sources in Indiana, as determined under IC 6-3-2, shall be treated as adjusted gross income under this chapter.

Sec. 5. Notwithstanding any other law, only the deductions allowed by this chapter may be deducted from adjusted gross income to determine taxable adjusted gross income under this chapter.

Chapter 9. Business Franchise Tax

Sec. 1. An excise tax is imposed on a taxpayer in each taxable year in which the taxpayer is doing business in Indiana.

Sec. 2. The tax imposed under section 1 of this chapter is for the privilege of doing business in Indiana in a taxable year regardless of the number of days in a taxable year that the taxpayer is actually doing business in Indiana.

Sec. 3. If:

(1) the taxable adjusted gross income of a taxpayer in the immediately preceding taxable year was not greater than zero (0); and

(2) the taxable net worth of the taxpayer is not greater than one million dollars ($1,000,000);

the tax imposed under this chapter in a taxable year is fifty dollars ($50).

Sec. 4. If:

(1) the adjusted gross income of a taxpayer in the immediately preceding taxable year was greater than zero dollars ($0); and

(2) the taxable net worth of the taxpayer is not greater than five hundred thousand dollars ($500,000);

the tax imposed under this chapter in a taxable year is fifty dollars ($50).

(b) The tax imposed under section 1 of this chapter is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Multiply the taxpayer's taxable net worth by three-thousandths (0.003).

STEP TWO: Determine the greater of the following:

(A) Fifty dollars ($50).

(B) The STEP ONE result.

STEP THREE: Determine the lesser of the following:

(A) Two hundred fifty thousand dollars ($250,000).

(B) The STEP TWO result.

Sec. 6. (a) This section applies if sections 2 and 3 of this chapter do not apply to the taxpayer and the taxpayer takes a deduction under IC 6-2.2-6-2.

(b) The tax imposed by section 1 of this chapter is equal to the result determined under the following formula:

STEP ONE: Multiply the taxpayer's taxable net worth, without any deduction under IC 6-2.2-6-2, by three-thousandths (0.003).

STEP TWO: If the STEP ONE result is not greater than fifty dollars ($50), the tax imposed under section 1 of this chapter is fifty dollars ($50).

STEP THREE: If the STEP ONE result is greater than fifty dollars ($50) and not greater than two thousand five hundred dollars ($2,500), the tax imposed under section 1 of this chapter is the STEP ONE result.

STEP FOUR: If the STEP ONE result is greater than two thousand five hundred dollars ($2,500), multiply the taxpayer's net worth, after subtracting the deduction under IC 6-2.2-6-2, by three-thousandths (0.003).

STEP FIVE: If the STEP FOUR result is not greater than two thousand five hundred dollars ($2,500), the tax imposed under section 1 of this chapter is two thousand five hundred dollars ($2,500).

STEP SIX: If the STEP FOUR result is greater than two thousand five hundred dollars ($2,500), the tax imposed under section 1 of this chapter is equal to the lesser of the following:

(A) Two hundred fifty thousand dollars ($250,000).

(B) The STEP FOUR result.

Chapter 10. Credits

Sec. 1. Notwithstanding any other law, the only credits allowable against the franchise tax due under this article are the credits allowed under this chapter.

(1) IC 27-6-8-15;

(2) IC 27-8-8-15;

(3) IC 27-8-10-2.1; or

(4) IC 27-13-18-2;

by a member of an affiliated group (as defined in Section 1504 of the Internal Revenue Code) of which the taxpayer is a member.

Chapter 11. Payment of Taxes; Final Returns

Sec. 1. A taxpayer shall file the return prescribed by the department for each taxable year that the taxpayer is doing business in Indiana regardless of whether the taxpayer has any tax due.

Sec. 2. The return must contain the information that the department may require by rule, including any detailed information that may be necessary to determine the taxpayer's tax liability under this article.

Sec. 3. Subject to IC 6-8.1-6-1, a return for a taxable year must be filed before the sixteenth day of the fourth month of the taxpayer's taxable year.

Sec. 4. The department may require a taxpayer to notify the department concerning any change in its method of accounting or taxable year.

Sec. 5. The tax imposed under this article is a listed tax.

Chapter 13. Penalties

Sec. 1. The penalties in IC 6-8.1 apply to this article.

Sec. 2. If a taxpayer:

(1) fails to:

(A) file a notice, an information report, or a return; or

(B) pay the amount of the tax due;

as required under this article and IC 6-8.1; and

(2) within ninety (90) days after receiving written notice of a failure described in subdivision (1), fails to comply with this article and pay any penalty imposed under IC 6-8.1 for failure to comply with this article;

the department may suspend the taxpayer's privilege of doing business in Indiana for the remainder of the taxable year in which the failure occurred and for any subsequent taxable year. Notice of the suspension must be given under IC 4-21.5-3-4.

Sec. 3. A taxpayer may obtain administrative review of a suspension under section 2 of this chapter under IC 4-21.5-3-7 and judicial review of a final determination of the department under IC 4-21.5-5. Judicial review shall be initiated by filing a petition in the tax court. The tax court has exclusive jurisdiction over the review.

Sec. 4. Except during any time that an order suspending a taxpayer's privilege of doing business in Indiana is stayed under IC 4-21.5:

(1) a taxpayer whose privilege of doing business in Indiana has been suspended under this chapter is ineligible to enforce any right or power accruing to the taxpayer after the taxpayer receives written notice from the department that the taxpayer's privilege of doing business in Indiana has been suspended; and

(2) any contract entered into by the taxpayer after the taxpayer has received written notice that the taxpayer's privilege of doing business in Indiana has been suspended is voidable by any other party to the contract.

Sec. 5. If:

(1) the department suspends a taxpayer's privilege of doing business or a stay of an order suspending the taxpayer's privilege of doing business in Indiana is terminated; and

(2) the department knows that the taxpayer is required by any law to obtain a license or register with any state agency or political subdivision to engage in doing business;

the department shall notify the state agency or political subdivision that the taxpayer's privilege of doing business in Indiana has been suspended. Upon receipt of the notification, the state agency or political subdivision shall suspend the license or the rights accruing from registration issued by the state agency

or political subdivision.

Sec. 6. An order suspending the privilege of doing business in Indiana may be rescinded if the taxpayer:

(1) complies with this article; and

(2) pays the penalties imposed under IC 6-8.1 for violation of this article.

Sec. 7. If an order suspending a taxpayer's privilege of doing business in Indiana is rescinded or stayed, the department shall notify each state agency and political subdivision described in section 5 of this chapter of the action. Upon receipt of the notice, each state agency and political subdivision shall reinstate any license or rights accruing from registration if the taxpayer otherwise qualifies for the license or registration and the taxpayer pays any fees imposed to reinstate the license or registration.

(a) Each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars ($1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars ($1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

(b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(c) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering:

(1) a calendar year, if the retail merchant's average monthly state gross retail and use tax liability in the previous calendar year does not exceed ten dollars ($10); or

(2) a calendar half year, if the retail merchant's average monthly state gross retail and use tax liability in the previous calendar year does not exceed twenty-five dollars ($25).

A retail merchant using a reporting period allowed under this subsection must file the merchant's return and pay the merchant's tax for a reporting period not later than the last day of the month immediately following the close of that reporting period.

(d) If a retail merchant reports the merchant's **adjusted** gross income tax, or the tax the merchant pays in place of the **adjusted** gross income tax, over a fiscal year or fiscal quarter not corresponding to the calendar year or calendar quarter, the merchant may, without prior departmental approval, report and pay the merchant's state gross retail and use taxes over the merchant's fiscal period that corresponds to the calendar period the merchant is permitted to use under subsection (c). However, the department may, at any time, require the retail merchant to stop using the fiscal reporting period.

(e) If a retail merchant files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under:

(2) IC 6-3-4-8; or

(3) IC 6-3-4-8.1.

(f) If the department determines that a person's:

(1) estimated monthly gross retail and use tax liability for the current year; or

exceeds ten thousand dollars ($10,000) the person shall pay the monthly gross retail and use taxes due by electronic fund transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

SECTION 70. IC 6-2.5-6-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. The department may, at any time, require the retail merchant to stop using the accrual basis.

SECTION 71. IC 6-2.5-6-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 7. Except as otherwise provided in IC 6-2.5-7 or in this chapter, a retail merchant shall pay to the department, for a particular reporting period, an amount equal to the product of:

(1) ~~five~~ **six** percent ~~(5%);~~ **(6%);** multiplied by

(2) the retail merchant's total gross retail income from taxable transactions made during the reporting period.

(1) the amount of that gross retail income; multiplied by

(2) the retail merchant's "income exclusion ratio" for the tax year which contains the reporting period.

(b) A retail merchant's "income exclusion ratio" for a particular tax year equals a fraction, the numerator of which is the retail merchant's estimated total gross retail income for the tax year from unitary retail transactions which produce gross retail income of less than ~~ten~~ **nine** cents ~~($.10)~~ **($0.09)** each, and the denominator of which is the retail merchant's estimated total gross retail income for the tax year from all retail transactions.

(c) In order to minimize a retail merchant's recordkeeping requirements, the department shall prescribe a procedure for determining the retail merchant's income exclusion ratio for a tax year, based on a period of time, not to exceed fifteen (15) consecutive days, during the first quarter of the retail merchant's tax year. However, the period of time may be changed if the change is

requested by the retail merchant because of his peculiar accounting procedures or marketing factors. In addition, if a retail merchant has multiple sales locations or diverse types of sales, the department shall permit the retail merchant to determine the ratio on the basis of a representative sampling of the locations and types of sales.

SECTION 73. IC 6-2.5-6-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 10. (b) The allowance equals ~~one~~ **eighty-three hundredths** percent ~~(1%)~~ **(0.83%)** of the retail merchant's state gross retail and use tax liability accrued during a reporting period.

(c) A retail merchant described in IC 6-2.5-4-5 or IC 6-2.5-4-6 is not entitled to the allowance provided by this section.

~~(i)~~ **(1)** the price per unit before the addition of state and federal taxes; multiplied by

~~(ii) five~~ **(2) six** percent ~~(5%).~~ **(6%).**

The retail merchant shall collect the state gross retail tax prescribed in this section even if the transaction is exempt from taxation under IC 6-2.5-5.

(b) With respect to the sale of special fuel or kerosene which is dispensed from a metered pump, unless the purchaser provides an exemption certificate in accordance with IC 6-2.5-8-8, a retail merchant shall collect, for each unit of special fuel or kerosene sold, state gross retail tax in an amount equal to the product, rounded to the nearest one-tenth of one cent ~~($.001),~~ **($0.001),** of:

~~(i)~~ **(1)** the price per unit before the addition of state and federal taxes; multiplied by

~~(ii) five~~ **(2) six** percent ~~(5%).~~ **(6%).**

The retail merchant shall remit that amount regardless of the amount of state gross retail tax which he has actually collected under this chapter. However, the retail merchant is entitled to deduct and retain the amounts prescribed in subsection (c), IC 6-2.5-6-10, and IC 6-2.5-6-11.

is also effective for that same taxable year for purposes of determining adjusted gross income under ~~IC 6-3-1-3.5 and net income under IC 6-3-8-2(b).~~ **section 3.5 of this chapter.**

SECTION 79. IC 6-3-2-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 1. (a) Each taxable year, a tax at the rate of:

(1) three and four-tenths percent (3.4%) of **the first twenty thousand dollars ($20,000) of** adjusted gross income;

(2) three and eight-tenths percent (3.8%) of adjusted gross income that exceeds twenty thousand dollars ($20,000) but is not more than seventy thousand dollars ($70,000); and

(3) four and two-tenths percent (4.2%) of adjusted gross income that exceeds seventy thousand dollars ($70,000);

is imposed upon the adjusted gross income of every resident person, and on that part of the adjusted gross income derived from sources within Indiana of every nonresident person. **The tax rate imposed by this subsection applies to the total taxable income reported on a return filed under IC 6-3-4, regardless of whether the return is a separate or joint return.**

(b) Each taxable year, a tax at the rate of ~~three~~ **eight** and ~~four-tenths~~ **five-tenths** percent ~~(3.4%)~~ **(8.5%)** of adjusted gross income is imposed on that part of the adjusted gross income derived from sources within Indiana of every corporation.

SECTION 80. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;

(2) income from doing business in this state;

(3) income from a trade or profession conducted in this state;

(4) compensation for labor or services rendered within this state; and

(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. **In the case of a corporation that is a life insurance company (as**

defined in Section 816(a) of the Internal Revenue Code), or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, then the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth), the fraction shall be computed as follows:

(1) For all taxable years that begin within the first calendar year immediately following the period, the numerator of the fraction is the sum of the property factor plus the payroll factor plus one hundred thirty-three percent (133%) of the sales factor, and the denominator of the fraction is three and thirty-three hundredths (3.33).

(2) For all taxable years that begin within the second calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus one hundred sixty-seven percent (167%) of the sales factor, and the denominator of the fraction is three and sixty-seven hundredths (3.67).

(3) For all taxable years beginning on or after January 1 of the third calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus two hundred percent (200%) of the sales factor, and the denominator of the fraction is four (4).

For purposes of this subsection, income growth occurs when the state's nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more, as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency. The annualized compound rate shall be computed in accordance with the formula $(1+N)^4-1$, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;

(2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or

(3) some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Sales of tangible personal property are in this state if:

(1) the property is delivered or shipped to a purchaser, other than the United States government, within this state, regardless of the f.o.b. point or other conditions of the sale; or

(2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:

(A) the purchaser is the United States government; or

(B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.1-2-4 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or

(2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) the exclusion of any one (1) or more of the factors;

(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or

(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

(1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and

(2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

SECTION 81. IC 6-3-2-2.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2.3. Notwithstanding any other provision of this article, with respect to a person, corporation, or partnership that has contracted with a commercial printer for printing:

(1) the ownership or leasing by that entity of tangible or intangible property located at the Indiana premises of the commercial printer;

(2) the sale by that entity of property of any kind produced at and shipped or distributed from the Indiana premises of the commercial printer;

(3) the activities of any kind performed by or on behalf of that entity at the Indiana premises of the commercial printer; and

(4) the activities performed by the commercial printer in Indiana for or on behalf of that entity;

shall not cause that entity to have adjusted gross income derived from sources within Indiana for purposes of the taxes imposed by this chapter, ~~and IC 6-3-8,~~ unless that entity engages in other activities in Indiana away from the premises of the commercial printer that exceed the protection of 15 U.S.C. 381.

SECTION 82. IC 6-3-2-2.6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2.6. (a) This section applies to a corporation or a nonresident person, for a particular taxable year, if the taxpayer's adjusted gross income for that taxable year is reduced because of a deduction allowed under Section 172 of the Internal Revenue Code for a net operating loss. For purposes of section 1 of this chapter, the taxpayer's adjusted gross income, for the particular taxable year, derived from sources within Indiana is the remainder determined under STEP FOUR of the following formula:

STEP ONE: Determine, in the manner prescribed in section 2 of this chapter, the taxpayer's adjusted gross income, for the taxable year, derived from sources within Indiana, as calculated without the deduction for net operating losses provided by Section 172 of the Internal Revenue Code.

STEP TWO: Determine, in the manner prescribed in subsection (b), the amount of the taxpayer's net operating losses that are deductible for the taxable year under Section 172 of the Internal Revenue Code, as adjusted to reflect the modifications required by IC 6-3-1-3.5, and that are derived from sources within Indiana.

STEP THREE: Enter the larger of zero (0) or the amount determined under STEP TWO.

STEP FOUR: Subtract the amount entered under STEP THREE from the amount determined under STEP ONE.

(b) For purposes of STEP TWO of subsection (a), the modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year during which each net operating loss was incurred. In addition, for purposes of STEP TWO of subsection (a), the amount of a taxpayer's net operating losses that are derived from sources within Indiana shall be determined in the same manner that the amount of the taxpayer's income derived from sources within Indiana is determined, under section 2 of this chapter, for the same taxable year during which each loss was incurred. Also,

for purposes of STEP TWO of subsection (a), the following procedures apply:

(1) The taxpayer's net operating loss for a particular taxable year shall be treated as a positive number.

(2) A modification that is to be added to federal adjusted gross income or federal taxable income under IC 6-3-1-3.5 shall be treated as a negative number.

(3) A modification that is to be subtracted from federal adjusted gross income or federal taxable income under IC 6-3-1-3.5 shall be treated as a positive number.

(4) A net operating loss under this section shall be considered even though, in the year the taxpayer incurred the loss, the taxpayer was not subject to the tax imposed under section 1 of this chapter because the taxpayer was:

(A) a life insurance company (as defined in Section 816(a) of the Internal Revenue Code); or

(B) an insurance company subject to tax under Section 831 of the Internal Revenue Code.

SECTION 83. IC 6-3-2-2.8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2.8. Notwithstanding any provision of IC 6-3-1 through IC 6-3-7, there shall be no tax on the adjusted gross income of the following:

(1) Any organization described in Section 501(a) of the Internal Revenue Code, except that any income of such organization which is subject to income tax under the Internal Revenue Code shall be subject to the tax under IC 6-3-1 through IC 6-3-7.

(2) Any corporation which is exempt from income tax under Section 1363 of the Internal Revenue Code and which complies with the requirements of IC 6-3-4-13. However, income of a corporation described under this subdivision that is subject to income tax under the Internal Revenue Code is subject to the tax under IC 6-3-1 through IC 6-3-7. A corporation will not lose its exemption under this section because it fails to comply with IC 6-3-4-13 but it will be subject to the penalties provided by IC 6-8.1-10.

(3) Banks and trust companies, national banking associations, savings banks, building and loan associations, and savings and loan associations.

(4) Insurance companies subject to tax under IC 27-1-18-2, **including a domestic insurance company that elects to be taxed under IC 27-1-18-2.**

(5) International banking facilities (as defined in Regulation D of the Board of Governors of the Federal Reserve System (12 CFR 204)).

SECTION 84. IC 6-3-2-3.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3.1. (a) Except as otherwise provided in subsection (b), income is not exempt from the adjusted gross income tax ~~or the supplemental net income tax,~~ under section 2.8(1) of this chapter if the income is derived by the exempt organization from an unrelated trade or business, as defined in Section 513 of the Internal Revenue Code.

(b) This section does not apply to:

(1) the United States government;

(2) an agency or instrumentality of the United States government;

(3) this state;

(4) a state agency, as defined in IC 34-6-2-141;

(5) a political subdivision, as defined in IC 34-6-2-110; or

(6) a county solid waste management district or a joint solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal).

SECTION 85. IC 6-3-2-6, AS AMENDED BY P.L.14-1999, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 6. (a) Each taxable year, an individual who rents a dwelling for use as ~~his~~ **the individual's** principal place of residence may deduct from ~~his~~ **the individual's** adjusted gross income (as defined in IC 6-3-1-3.5(a)), the lesser of:

(1) the amount of rent paid by ~~him~~ **the individual** with respect to the dwelling during the taxable year; or

(2) ~~two~~ **four** thousand dollars ~~($2,000).~~ **($4,000).**

(b) Notwithstanding subsection (a), a husband and wife filing a joint adjusted gross income tax return for a particular taxable year may not claim a deduction under this section of more than ~~two~~ **four** thousand dollars ~~($2,000).~~ **($4,000).**

(c) The deduction provided by this section does not apply to an individual who rents a dwelling that is exempt from Indiana property tax.

(d) For purposes of this section, a "dwelling" includes a single family dwelling and unit of a multi-family dwelling.

SECTION 86. IC 6-3-4-4.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 4.1. (a) This section applies to taxable years beginning after December 31, 1993.

(b) Any individual required by the Internal Revenue Code to file estimated tax returns and to make payments on account of such estimated tax shall file estimated tax returns and make payments of the tax imposed by this article to the department at the time or times and in the installments as provided by Section 6654 of the Internal Revenue Code. However, in applying Section 6654 of the Internal Revenue Code for the purposes of this article, "estimated tax" means the amount which the individual estimates as the amount of the adjusted gross income tax imposed by this article for the taxable year, minus the amount which the individual estimates as the sum of any credits against the tax provided by IC 6-3-3.

(c) Every individual who has **adjusted** gross income subject to the tax imposed by this article and from which tax is not withheld under the requirements of section 8 of this chapter shall make a declaration of estimated tax for the taxable year. However, no such declaration shall be required if the estimated tax can reasonably be expected to be less than four hundred dollars ($400). In the case of an underpayment of the estimated tax as provided in Section 6654 of the Internal Revenue Code, there shall be added to the tax a penalty in an amount prescribed by IC 6-8.1-10-2.1(b).

(d) Every corporation subject to the adjusted gross income tax liability imposed by IC 6-3 shall be required to report and pay an estimated tax equal to twenty-five percent (25%) of such corporation's estimated adjusted gross income tax liability for the taxable year. ~~less the credit allowed by IC 6-3-3-2 for the tax imposed on gross income. Such estimated payment shall be made at the same time and in conjunction with the reporting of gross income tax as provided for in IC 6-2.1-5.~~ **A taxpayer who uses a taxable year that ends on December 31 shall file the taxpayer's estimated adjusted gross income tax returns and pay the tax to the department on or before April 20, June 20, September 20, and December 20 of the taxable year. If a taxpayer uses a taxable year that does not end on December 31, the due dates for filing estimated adjusted gross income tax returns and paying the tax are on or before the twentieth day of the fourth, sixth, ninth, and twelfth months of the taxpayer's taxable year.** The department shall prescribe the manner and forms for such reporting and payment.

(e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by the department on corporations failing to make payments as required in subsection (d) or (g). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax plus supplemental net income tax plus gross income tax which equal or exceed:

(1) twenty percent (20%) of the final tax liability for such taxable year; or

(2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of the sum of the corporation's final adjusted gross income tax plus supplemental net income tax liability for such taxable year.

(f) The provisions of subsection (d) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2, shall exceed one thousand dollars ($1,000) for its taxable year.

(g) If the department determines that a corporation's:

(1) estimated quarterly adjusted gross income tax liability for the current year; or

(2) average estimated quarterly adjusted gross income tax

liability for the preceding year;

exceeds, before January 1, 1998, twenty thousand dollars ($20,000), and, after December 31, 1997, ten thousand dollars ($10,000), after the credit allowed by IC 6-3-3-2, the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

SECTION 87. IC 6-3-4-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 8. (a) Except as provided in subsection (d) **or (l),** every employer making payments of wages subject to tax under IC 6-3, regardless of the place where such payment is made, who is required under the provisions of the Internal Revenue Code to withhold, collect, and pay over income tax on wages paid by such employer to such employee, shall, at the time of payment of such wages, deduct and retain therefrom the amount prescribed in withholding instructions issued by the department. The department shall base its withholding instructions on the adjusted gross income tax rate for persons, on the total rates of any income taxes that the taxpayer is subject to under IC 6-3.5, and on the total amount of exclusions the taxpayer is entitled to under IC 6-3-1-3.5(a)(3) and IC 6-3-1-3.5(a)(4). Such employer making payments of any wages:

(1) shall be liable to the state of Indiana for the payment of the tax required to be deducted and withheld under this section and shall not be liable to any individual for the amount deducted from ~~his~~ **the individual's** wages and paid over in compliance or intended compliance with this section; and

(2) shall make return of and payment to the department monthly of the amount of tax which under IC 6-3 and IC 6-3.5 ~~he~~ **the employer** is required to withhold.

(b) An employer shall pay taxes withheld under subsection (a) during a particular month to the department no later than thirty (30) days after the end of that month. However, in place of monthly reporting periods, the department may permit an employer to report and pay the tax for:

(1) a calendar year reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed ten dollars ($10);

(2) a six (6) month reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed twenty-five dollars ($25); or

(3) a three (3) month reporting period, if the average monthly amount of all tax required to be withheld by the employer in the previous calendar year does not exceed seventy-five dollars ($75).

An employer using a reporting period (other than a monthly reporting period) must file the employer's return and pay the tax for a reporting period no later than the last day of the month immediately following the close of the reporting period. If an employer files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under this section, section 8.1 of this chapter, or IC 6-2.5-6-1.

(c) For purposes of determining whether an employee is subject to taxation under IC 6-3.5, an employer is entitled to rely on the statement of ~~his~~ **an** employee as to ~~his~~ **the employee's** county of residence as represented by the statement of address in forms claiming exemptions for purposes of withholding, regardless of when the employee supplied the forms. Every employee shall notify ~~his~~ **the employee's** employer within five (5) days after any change in ~~his~~ **the employee's** county of residence.

(d) A county that makes payments of wages subject to tax under IC 6-3:

(1) to a precinct election officer (as defined in IC 3-5-2-40.1); and

(2) for the performance of the duties of the precinct election officer imposed by IC 3 that are performed on election day;

is not required, at the time of payment of the wages, to deduct and retain from the wages the amount prescribed in withholding instructions issued by the department.

(e) Every employer shall, at the time of each payment made by ~~him~~ **the employer** to the department, deliver to the department a return upon the form prescribed by the department showing:

(1) the total amount of wages paid to ~~his~~ **the employer's** employees;

(2) the amount deducted therefrom in accordance with the provisions of the Internal Revenue Code;

(3) the amount of adjusted gross income tax deducted therefrom in accordance with the provisions of this section;

(4) the amount of income tax, if any, imposed under IC 6-3.5 and deducted therefrom in accordance with this section; and

(5) any other information the department may require.

Every employer making a declaration of withholding as provided in this section shall furnish ~~his~~ **the employer's** employees annually, but not later than thirty (30) days after the end of the calendar year, a record of the total amount of adjusted gross income tax and the amount of each income tax, if any, imposed under IC 6-3.5, withheld from the employees, on the forms prescribed by the department.

(f) All money deducted and withheld by an employer shall immediately upon such deduction be the money of the state, and every employer who deducts and retains any amount of money under the provisions of IC 6-3 shall hold the same in trust for the state of Indiana and for payment thereof to the department in the manner and at the times provided in IC 6-3. Any employer may be required to post a surety bond in the sum the department determines to be appropriate to protect the state with respect to money withheld pursuant to this section.

(g) The provisions of IC 6-8.1 relating to additions to tax in case of delinquency and penalties shall apply to employers subject to the provisions of this section, and for these purposes any amount deducted or required to be deducted and remitted to the department under this section shall be considered to be the tax of the employer, and with respect to such amount the employer shall be considered the taxpayer. In the case of a corporate or partnership employer, every officer, employee, or member of such employer, who, as such officer, employee, or member is under a duty to deduct and remit such taxes shall be personally liable for such taxes, penalties, and interest.

(h) Amounts deducted from wages of an employee during any calendar year in accordance with the provisions of this section shall be considered to be in part payment of the tax imposed on such employee for ~~his~~ **the employee's** taxable year which begins in such calendar year, and a return made by the employer under subsection (b) shall be accepted by the department as evidence in favor of the employee of the amount so deducted from ~~his~~ **the employee's** wages. SECTION 128. IC 6-3.5-1.1-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 14. (b) If a civil taxing unit or a school corporation is located in more than one (1) county and receives property tax replacement credits from one (1) or more of the counties, then the property tax replacement credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit) to reduce its ad valorem property tax levies below the limits imposed by IC 6-1.1-18.5; plus

(c) The local government tax control board established by IC 6-1.1-18.5-11 shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (b)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed levy of its own. The local government tax control board shall certify the attributed levy amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose, including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed levy.

SECTION 131. IC 6-3.5-6-17.6, AS AMENDED BY P.L.283-2001, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 17.6. (a) This section applies to a county containing a consolidated city.

(b) On or before July 15 of each year, the budget agency shall make the following calculation:

STEP ONE: Determine the cumulative balance in a county's account established under section 16 of this chapter as of the end of the current calendar year.

STEP TWO: Divide the amount estimated under section 17(b) of this chapter before any adjustments are made under section 17(c) or 17(d) of this chapter by twelve (12).

STEP THREE: Multiply the STEP TWO amount by three (3).

STEP FOUR: Subtract the amount determined in STEP THREE from the amount determined in STEP ONE.

(c) For 1995, the budget agency shall certify the STEP FOUR amount to the county auditor on or before July 15, 1994. Not later than January 31, 1995, the auditor of state shall distribute the STEP FOUR amount to the county auditor to be used to retire outstanding obligations for a qualified economic development tax project (as defined in IC 36-7-27-9).

(d) After 1995, the STEP FOUR amount shall be distributed to the county auditor in January of the ensuing calendar year. The STEP FOUR amount shall be distributed by the county auditor to the civil taxing units within thirty (30) days after the county auditor receives the distribution. Each civil taxing unit's share equals the STEP FOUR amount multiplied by the quotient of:

(1) the maximum permissible property tax levy under IC 6-1.1-18.5 for the civil taxing unit, plus, for a county, an amount equal to

~~(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund; plus~~

~~(B) after December 31, 2002, the greater of zero (0) or the difference between:~~

~~(i) the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus~~

~~(ii) the current uninsured parents program property tax levy imposed by the county;~~ **the sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44;** divided by

(2) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 for all civil taxing units of the county, plus an amount equal to

~~(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund; plus~~

~~(B) after December 31, 2002, the greater of zero (0) or the difference between:~~

~~(i) the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus~~

~~(ii) the current uninsured parents program property tax levy imposed by the county.~~

sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.

SECTION 132. IC 6-3.5-6-18, AS AMENDED BY P.L.283-2001, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

(1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;

(2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);

(3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;

(4) make payments permitted under IC 36-7-15.1-17.5;

(5) make payments permitted under subsection (i); and

(6) make distributions of distributive shares to the civil taxing units of a county.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year. The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the

civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction **determined as follows:**

(A) The numerator of the fraction equals the total property taxes that are first due and payable to the civil taxing unit during the calendar year in which the month falls; plus for a county, an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

(B) The denominator of the fraction equals the sum of the total property taxes that are first due and payable to all civil taxing units of the county during the calendar year in which the month falls, plus an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

(f) The state board of tax commissioners shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The state board of tax commissioners shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 133. IC 6-3.5-6-18.5, AS AMENDED BY P.L.283-2001, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	$1,898,145
Decatur Township	$164,103
Franklin Township	$173,934
Lawrence Township	$890,086
Perry Township	$854,544
Pike Township	$1,410,375
Warren Township	$1,027,721
Washington Township	$1,017,890
Wayne Township	$988,397
Lawrence-City	$648,848
Beech Grove	$639,017
Southport	$18,906
Speedway	$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 6-1.1-18.6 for each civil taxing unit for the calendar year in which the month falls, plus, for a county

an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county;~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44;** divided by

(B) the sum of the maximum permissible property tax

levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5 and IC 6-1.1-18.6 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county;~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44;** divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 and IC 6-1.1-18.6 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

SECTION 134. IC 6-3.5-7-12, AS AMENDED BY P.L.283-2001, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 12. (a) Except as provided in section 23 of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and section 15 of this chapter, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

(1) The amount of the certified distribution for that month; multiplied by

(2) A fraction. The numerator of the fraction equals the sum of the following:

(A) Total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus

(B) For a county, an amount equal to

~~(i)~~ the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; plus~~

~~(ii) after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus an amount equal to the ~~property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund, and after December 31, 2002, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, adjusted each year after 2002 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ **sum of the county's welfare revenue and human service fund revenue, as determined under IC 6-1.1-44.**

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

(1) The ordinance is effective January 1 of the following year.

(2) The amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

(A) the amount of the certified distribution for the month; multiplied by

(B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

(1) The county.

(2) A city or town in the county.

(3) A commission, a board, a department, or an authority that is authorized by statute to pledge the county economic development income tax.

(e) The state board of tax commissioners shall provide each county auditor with the fractional amount of the certified distribution that the county and each city or town in the county is entitled to receive under this section.

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the state board of tax commissioners shall consider only property taxes imposed on tangible property subject to assessment in that county.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of section 15 of this chapter.

SECTION 135. IC 6-3.5-7-23, AS ADDED BY P.L.124-1999, SECTION 3, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 23. (a) This section applies only to a county having a population of at least forty-five thousand (45,000) but not more than forty-seven thousand (47,000).

(b) The county council may by ordinance determine that, in order to promote the development of libraries in the county and thereby encourage economic development, it is necessary to use economic development income tax revenue to replace library property taxes in the county. However, a county council may adopt an ordinance under this subsection only if all territory in the county is included in a library district.

(c) If the county council makes a determination under subsection (b), the county council may designate the county economic development income tax revenue generated by the tax rate adopted under section 5 of this chapter, or revenue generated by a portion of the tax rate, as revenue that will be used to replace public library property taxes imposed by public libraries in the county. The county council may not designate for library property tax replacement purposes any county economic development income tax revenue that is generated by a tax rate of more than fifteen-hundredths percent (0.15%).

(d) The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the portion of the tax rate designated for property tax replacement credits under subsection (c) shall be deposited in the library property tax replacement fund before certified distributions are made under section 12 of this chapter.

(e) The amount of county economic development income tax revenue dedicated to providing library property tax replacement credits shall, in the manner prescribed in this section, be allocated to public libraries operating in the county and shall be used by those public libraries as property tax replacement credits. The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section equals the lesser of:

(1) the product of:

(A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by

(B) a fraction described as follows:

(i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the publIC library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.

(ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of county economic development income tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax liability that would otherwise be imposed for public libraries in the county for the year, the excess shall remain in the library property tax replacement fund and shall be used for library property tax replacement purposes in the following calendar year.

(f) Notwithstanding subsection (e), if a public library did not impose a property tax levy during the previous calendar year, that publIC library is entitled to receive a part of the property tax replacement credits to be distributed for the calendar year. The amount of property tax replacement credits the public library is entitled to receive during the calendar year equals the product of:

(1) the amount of revenue deposited in the library property tax replacement fund; multiplied by

(2) a fraction. The numerator of the fraction equals the budget of the public library for that calendar year. The denominator of the fraction equals the aggregate budgets of public libraries in the county for that calendar year.

If for a calendar year a public library is allocated a part of the property tax replacement credits under this subsection, then the amount of property tax credits distributed to other public libraries in the county for the calendar year shall be reduced by the amount to be distributed as property tax replacement credits under this subsection. The ~~state board of tax commissioners~~ **department of local government finance** shall make any adjustments required by this subsection and provide the adjustments to the county auditor.

(g) The ~~state board of tax commissioners~~ **department of local government finance** shall inform the county auditor of the amount of property tax replacement credits that each public library in the county is entitled to receive under this section. The county auditor shall certify to each public library the amount of property tax replacement credits that the public library is entitled to receive during that calendar year. The county auditor shall also certify these amounts to the county treasurer.

(h) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a distinct property tax levy is imposed. The amount that must be allocated to each fund equals:

(1) the amount of property tax replacement credits provided to the public library under this section; multiplied by

(2) the amount determined in STEP THREE of the following formula:

STEP ONE: Determine the property taxes that would have been collected for each fund by the public library during the previous calendar year if the property tax replacement under this section had not been in effect.

STEP TWO: Determine the sum of the total property taxes that would have been collected for all funds by the public library during the previous calendar year if the property tax replacement under this section had not been in effect.

STEP THREE: Divide the STEP ONE amount by the STEP TWO amount.

However, if a public library did not impose a property tax levy during the previous calendar year or did not impose a property tax levy for a particular fund during the previous calendar year, but the public library is imposing a property tax levy in the current calendar year or is imposing a property tax levy for the particular fund in the current calendar year, the ~~state board of tax commissioners~~ **department of local government finance** shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this section does not impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library.

(i) For each public library that receives property tax credits under this section, the ~~state board of tax commissioners~~ **department of local government finance** shall certify to the county auditor the property tax rate applicable to each fund after the property tax replacement credits are allocated.

(j) A public library shall treat property tax replacement credits received during a particular calendar year under this section as a part of the public library's property tax levy for each fund for that same calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(k) The property tax replacement credits that are received under this section do not reduce the total county tax levy that is used to compute the state property tax replacement credit under IC 6-1.1-21. For the purpose of computing and distributing certified distributions under IC 6-3.5-1.1 and tax revenue under ~~IC 6-5-10, IC 6-5-11, IC 6-5-12,~~ IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year.".

"SECTION 111. IC 6-5.5-8-2, AS AMENDED BY P.L.273-1999, SECTION 58, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2. (a) On or before February 1, May 1, August 1, and December 1 of each year the auditor of state shall transfer to each county auditor for distribution to the taxing units (as defined in IC 6-1.1-1-21) in the county, an amount equal to one-fourth (1/4) of the sum of the guaranteed amounts for all the taxing units of the county. On or before August 1 of each year the auditor of state shall transfer to each county auditor the supplemental distribution for the county for the year.

(b) For purposes of determining distributions under subsection ~~(b),~~ **(c),** the ~~state board of tax commissioners~~ **department of local government finance** shall determine a ~~state welfare~~ **total levy miscellaneous tax** allocation for each county calculated as ~~follows:~~

~~(1) For 2000 and each year thereafter, the state welfare allocation for each county equals the greater of zero (0) or the amount determined under the following formula:~~

~~STEP ONE: For 1997, 1998, and 1999, determine the result of:~~

~~(A) the amounts appropriated by the county in the year for the county's county welfare fund and county welfare administration fund; divided by~~

~~(B) the amounts appropriated by all the taxing units in the county in the year;~~

~~STEP TWO: Determine the sum of the results determined in STEP ONE.~~

~~STEP THREE: Divide the STEP TWO result by three (3).~~

~~STEP FOUR: Determine the amount that would otherwise be distributed to all the taxing units in the county under subsection (b) without regard to this subdivision.~~

~~STEP FIVE: Determine the result of:~~

~~(A) the STEP FOUR amount; multiplied by~~

~~(B) the STEP THREE result.~~

~~(2)~~ **provided in IC 6-1.1-44.** The ~~state welfare~~ **total levy miscellaneous tax** allocation shall be deducted from the distributions otherwise payable under subsection ~~(b)~~ **(c)** to the taxing unit that is a county and shall be deposited in a special account within the state general fund.

~~(b)~~ **(c)** A taxing unit's guaranteed distribution for a year is the greater of zero (0) or an amount equal to:

(1) the amount received by the taxing unit under IC 6-5-10 **(repealed)** and IC 6-5-11 **(repealed)** in 1989; minus

(2) the amount to be received by the taxing unit in the year of the distribution, as determined by the ~~state board of tax commissioners,~~ **department of local government finance,** from property taxes attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee; minus

(3) in the case of a taxing unit that is a county, the amount that would have been received by the taxing unit in the year of the distribution, as determined by the ~~state board of tax commissioners,~~ **department of local government finance,** from property taxes that:

(A) were calculated for the county's county welfare fund and county welfare administration fund for 2000 but were not imposed because of the repeal of IC 12-19-3 and IC 12-19-4; and

(B) would have been attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee.

~~(c)~~ **(d)** The amount of the supplemental distribution for a county for a year shall be determined using the following formula:

STEP ONE: Determine the greater of zero (0) or the difference between:

(A) one-half (½) of the taxes that the department estimates will be paid under this article during the year; minus

(B) the sum of all the guaranteed distributions, before the subtraction of all ~~state welfare~~ **total county levy miscellaneous tax** allocations under subsection (a),

for all taxing units in all counties plus the bank personal property taxes to be received by all taxing units in all counties, as determined under subsection ~~(b)(2)~~ **(c)(2)** for the year.

STEP TWO: Determine the quotient of:

(A) the amount received under IC 6-5-10 **(repealed)** and IC 6-5-11 **(repealed)** in 1989 by all taxing units in the county; divided by

This sum shall be allocated to the cities and towns upon the basis that the population of each city and town bears to the total population of all the cities and towns and shall be used for the construction or reconstruction and maintenance of streets and alleys and shall be annually budgeted as now provided by law. However, no part of ~~such~~ **the** sum ~~shall~~ **may** be used for any other purpose than for the purposes defined in this chapter. If ~~any~~ funds allocated to ~~any~~ **a** city or town ~~shall be~~ **are** used by ~~any~~ **an** officer or officers of ~~such~~ **the** city or town for any purpose or purposes other than for the purposes as defined in this chapter, ~~such~~ **the** officer or officers shall be liable upon their official bonds to ~~such~~ **the** city or town in ~~such~~ **the** amount so used for other purposes than for the purposes as defined in this chapter, together with the costs of ~~said~~ **the** action and reasonable attorney fees, recoverable in an action or suit instituted in the name of the state of Indiana on the relation of any taxpayer or taxpayers resident of such city or town. A monthly distribution thereof of funds accumulated during the preceding month shall be made by the auditor of state.

(2) Of the net amount in the motor vehicle highway account, the auditor of state shall set aside for the counties of the state thirty-two percent (32%) thereof. However, as to the allocation to cities and towns under subdivision (1), and as to the allocation to counties under this subdivision in the event that the amount in the motor vehicle highway account ~~fund~~ remaining after refunds and the payment of all expenses incurred in the collection thereof and after deduction of any amount appropriated by the general assembly for public safety and policing shall be less than twenty-two million six hundred and fifty thousand dollars ($22,650,000), in any fiscal year then the amount so set aside in the next calendar year for distributions to counties shall be reduced fifty-four percent (54%) of ~~such~~ **the** deficit and the amount so set aside for distribution in the next calendar year to cities and towns shall be reduced thirteen percent (13%) of ~~such~~ **the** deficit. ~~Such~~ reduced distributions shall begin with the distribution January 1 of each year.

(3) The amount set aside for the counties of the state under the provisions of subdivision (2) shall be allocated monthly upon the following basis:

(A) Five percent (5%) of the amount allocated to the counties to be divided equally among the ninety-two (92) counties.

(B) Sixty-five percent (65%) of the amount allocated to the counties to be divided on the basis of the ratio of the actual miles, now traveled and in use, of county roads in each county to the total mileage of county roads in the state, which shall be annually determined, accurately, by the department.

(C) Thirty percent (30%) of the amount allocated to the counties to be divided on the basis of the ratio of the motor vehicle registrations of each county to the total motor vehicle registration of the state.

All money so distributed to the several counties of the state shall constitute a special road fund for each of the respective counties and shall be under the exclusive supervision and direction of the board of county commissioners in the construction, reconstruction, maintenance, or repair of the county highways or bridges on ~~such~~ **the** county highways within ~~such~~ **the** county.

(4) **Each month, after making allocations to the department of traffic safety, to the state police department, and under subdivisions (1) through (3), an amount equal to the total collections for all state gross retail and use taxes under IC 6-2.5 in the immediately preceding month multiplied by six hundred thirty-three thousandths of one percent (0.633%) shall be distributed to the public mass transportation fund established by IC 8-23-3-8.**

(5) Each month, after making allocations to the department of traffic safety, to the state police department, and under subdivisions (1) through (4), an amount equal to the total collections for all state gross retail and use taxes under IC 6-2.5 in the immediately preceding month multiplied by thirty-three thousandths of one percent (0.033%) shall be distributed to the industrial rail service fund established under IC 8-3-1.7-2.

(6) Each month, after making allocations to the department of traffic safety, to the state police department, and under subdivisions (1) through (5), an amount equal to the total collections for all state gross retail and use taxes under IC 6-2.5 in the immediately preceding month multiplied by one hundred forty-two thousandths of one percent (0.142%) shall be distributed to the commuter rail service fund established under IC 8-3-1.5-20.5.

(7) Each month the remainder of the net amount in the motor vehicle highway account shall be credited to the state highway fund for the use of the department.

~~(5)~~ **(8)** Money in the fund may not be used for any toll road or toll bridge project.

~~(6)~~ **(9)** Notwithstanding any other provisions of this section, money in the motor vehicle highway account fund may be appropriated to the Indiana department of transportation from the forty-seven percent (47%) distributed to the political subdivisions of the state to pay the costs incurred by the department in providing services to those subdivisions.

~~(7)~~ **(10)** Notwithstanding any other provisions of this section, **other than subdivisions (4) through (6),** or of IC 8-14-8, for the purpose of maintaining a sufficient working balance in accounts established primarily to facilitate the matching of federal and local money for highway projects, money may be appropriated to the Indiana department of transportation as

follows:

(A) One-half (½) from the forty-seven percent (47%) set aside under subdivisions (1) and (2) for counties and for those cities and towns with a population greater than five thousand (5,000).

(B) One-half (½) from the distressed road fund under IC 8-14-8.

SECTION 150. IC 8-14-1-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 11. (a) The department may create a local agency revolving fund from money appropriated under section ~~3(7)~~ **3(8)** of this chapter for the purpose of maintaining a sufficient working balance in accounts established primarily to facilitate the matching of federal and local money for highway projects.

(b) The revolving fund balance must be maintained through reimbursement from a local unit for money used by that unit to match federal funds.

(c) If the local unit fails to reimburse the revolving fund, the department shall notify the local unit that the department has found the outstanding accounts receivable to be uncollectible.

(d) The attorney general shall review the outstanding accounts receivable and if the attorney general agrees with the department's assessment of the account's status, the attorney general shall certify to the auditor of state that the outstanding accounts receivable is uncollectible and request a transfer of funds as provided in subsection (e).

(e) Upon receipt of a certificate as specified in subsection (d), the auditor of state shall:

(1) immediately notify the delinquent local unit of the claim; and

(2) if proof of payment is not furnished to the auditor of state within thirty (30) days after the notification, transfer an amount equal to the outstanding accounts receivable to the department from the delinquent local unit's allocations from the motor vehicle highway account for deposit in the local agency revolving fund.

(f) Transfers shall be made under subsection (e) until the unpaid amount has been paid in full under the terms of the agreement. However, the agreement may be amended if both the department and the unit agree to amortize the transfer over a period not to exceed five (5) years.

(g) Money in the fund at the end of a fiscal year does not revert to the state general fund.

SECTION 151. IC 8-22-2-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 18. (a) Subject to the approval of the fiscal body of the eligible entity, the board may contract with any person for construction, extensions, additions, or improvements of an aircraft hangar or revenue producing building or facility located or to be located on the airport of the entity, the cost of which is to be paid in the manner authorized by this section.

(b) A contract made under this section must be authorized by ordinance providing that the principal and interest of bonds issued for the payment of the cost of the construction, extensions, additions, or improvements shall be paid exclusively from the revenues and receipts of the aircraft hangars or revenue producing buildings or facilities, unless otherwise provided by this section.

(c) The fiscal body must, by ordinance, set aside the income and revenues of the buildings or facilities into a separate fund, to be used in the maintenance and operation and in payment of the cost of the construction, extensions, additions, or improvements. The ordinance must fix:

(1) the proportion of the revenues of the buildings or facilities that is necessary for the reasonable and proper operation and maintenance of them; and

(2) the proportion of the revenues that are to be set aside and applied to the payment of the principal and interest of bonds.

The ordinance may provide for the proportion of the revenues that are to be set aside as an adequate depreciation account.

(d) Whenever the board determines that there exists a surplus in funds derived from the net operating receipts of a municipal airport, then the board may recommend to the fiscal body that a designated amount of the surplus fund be appropriated by special or general appropriation to the "aviation revenue bond account" for the relief of principal or interest of bonds issued under this section. However, this surplus in funds may not include monies raised by taxation.

(e) The fiscal body may issue and sell bonds to provide for the payment of costs of the following:

(1) Airport capital improvements, including the acquisition of real property.

(2) Construction or improvement of revenue producing buildings or facilities owned and operated by the eligible entity.

(3) Payment of any loan contract.

The fiscal body may issue and sell bonds bearing interest, payable annually or semiannually, executed in the manner and payable at the times not exceeding forty (40) years from the date of issue and at the places as the fiscal body of the entity determines, which bonds are payable only out of the "aviation revenue bond account" fund. The bonds have in the hands of bona fide holders all the qualities of negotiable instruments under law.

(f) In case any of the officers whose signatures or countersignatures appear on the bonds or the coupons ceases to be the officer before the delivery of the bonds to the purchaser, the signature or countersignatures are nevertheless valid and sufficient for all purposes, the same as if he had remained in office until the delivery of the bonds. The bonds and their interest issued against an "aviation revenue bond account" fund and the fixed proportion or amount of the revenues pledged to the fund does not constitute an indebtedness of the entity under the Constitution of Indiana.

(g) Each bond must state plainly upon its face that it is payable only from the special fund, naming the fund and the ordinance creating it, and that it does not constitute an indebtedness of the entity under the Constitution of Indiana. The bonds may be issued either as registered bonds or as bonds payable to bearer. Coupons and bearer bonds may be registered as to principal in the holder's name on the books of the entity, the registration being noted on the bond by the clerk or other designated officer, after which no transfer is valid unless made on the books of the entity by the registered holder and similarly noted on the bonds. Bonds so registered as to principal may be discharged from the registration by being transferred to bearer, after which it is transferable by delivery but may be registered again as to principal. The registration of the bonds as to the principal does not restrain the negotiability of the coupon by delivery, but the coupons may be surrendered and the interest made payable only to the registered holder of the bonds. If the coupons are surrendered, the surrender and cancellation of them shall be noted on the bond and then interest on the bond is payable to the registered holder or order in cash or at his option by check or draft payable at the place or one (1) of the places where the coupons are payable.

(h) The bonds shall be sold in a manner and upon terms that the fiscal body considers in the best interest of the entity.

(i) All bonds issued by an eligible entity under this section are exempt from taxation for all purposes, except that the interest is subject to **adjusted** gross income tax.

(j) In fixing the proportion of the revenues of the building or facility required for operation and maintenance, the fiscal body shall consider the cost of operation and maintenance of the building or facility and may not set aside into the special fund a greater amount or proportion of the revenues and proceeds than are required for the operation and maintenance. The sums set aside for operation and maintenance shall be used exclusively for that purpose, until the accumulation of a surplus results.

(k) The proportion set aside to the depreciation fund, if a depreciation account or fund is provided for under this section, shall be expended in remedying depreciation in the building or facility or in new construction, extensions, additions, or improvements to the property. Accumulations of the depreciation fund may be invested, and the income from the investment goes into the depreciation fund. The fund, and the proceeds of it, may not be used for any other purpose.

(l) The fixed proportion that is set aside for the payment of the principal and interest of the bonds shall, from month to month, as it is accrued and received, be set apart and paid into a special account in the treasury of the eligible entity, to be identified "aviation revenue bond account," the title of the account to be specified by ordinance.

In fixing the amount or proportion to be set aside for the payment of the principal and interest of the bonds, the fiscal body may provide that the amount to be set aside and paid into the aviation revenue bond account for any year or years may not exceed a fixed sum, which sum must be at least sufficient to provide for the payment of the interest and principal of the bonds maturing and becoming payable in each year, together with a surplus or margin of ten percent (10%).

(m) If a surplus is accumulated in the operating and maintenance fund that is equal to the cost of maintaining and operating the building or facility for the twelve (12) following calendar months, the excess over the surplus may be transferred by the fiscal body to either the depreciation account to be used for improvements, extensions, or additions to property or to the aviation revenue bond account fund, as the fiscal body designates.

(n) If a surplus is created in the aviation revenue bond account in excess of the interest and principal of bonds, plus ten percent (10%), becoming payable during the calendar, operating, or fiscal year then current, together with the amount of interest or principal of bonds becoming due and payable during the next calendar, operating, or fiscal year, the fiscal body may transfer the excess over the surplus to either the operating and maintenance account, or to the depreciation account, as the fiscal body designates.

(o) All money received from bonds issued under this section shall be applied solely for the purposes listed in subsection (e). There is created a statutory mortgage lien upon buildings or facilities for which bonds are issued in favor of the holders of the bonds and of the coupons of the bonds. The buildings or facilities so constructed, extended, or improved remain subject to the statutory mortgage lien until payment in full of the principal and interest of the bonds.

(p) A holder of the bonds or of the attached coupons may enforce the statutory mortgage lien conferred by this section, and may enforce performance of all duties required by this section of the eligible entity issuing the bond or of any officer of the entity, including:

(1) the making and collecting of reasonable and sufficient rates or rentals for the use or lease of the buildings or facilities, or part of them established for the rent, lease, or use of the buildings or facilities;

(2) the segregation of the revenues from the buildings or facilities; and

(3) the application of the respective funds created by this section.

(q) If there is a default in the payment of the principal or interest of any of the bonds, a court having jurisdiction of the action may appoint an administrator or receiver to administer, manage, or operate the buildings or facilities on behalf of the entity, and the bondholders, with power to:

(1) charge and collect rates or rentals for the use or lease of the buildings or facilities sufficient to provide for the payment of the operating expenses;

(2) pay any bonds or obligations outstanding against the buildings or facilities; and

(3) apply the income and revenues thereof in accord with this section and the ordinance.

SECTION 152. IC 8-22-3.5-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 10. (a) Except in a county described in section 1(5) of this chapter, if the commission adopts the provisions of this section by resolution, each taxpayer in the airport development zone is entitled to an additional credit for property taxes that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the airport development zone:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) (as defined in IC 6-1.1-21-2) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of the county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to the special funds under section 9 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the special funds under section 9 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of an airport development zone; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in an airport development zone who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies shall be stated on the notice.

(b) The attraction of qualified airport development projects to a consolidated city within Indiana is a governmental function of general public benefit for all the citizens of Indiana.

(c) As an incentive to attract qualified airport development projects to Indiana, for a period of thirty-five (35) years, beginning January 1, 1991, persons that locate and operate a qualified airport development project in an airport development zone in a consolidated city shall not incur, notwithstanding any other law, any state income tax liability as a result of:

(1) activities associated with locating the qualified airport development project in the consolidated city;

(2) the construction or completion of the qualified airport development project;

(3) the employment of personnel or the ownership or rental of property at or in conjunction with the qualified airport development project; or

~~STEP TWO: Subtract from the amount determined in STEP ONE the sum of the miscellaneous taxes that were allocated to:~~

~~(A) the county welfare administration fund and used to pay expenses for administration, facilities, supplies, and equipment for the provision of child services in 1991, 1992, and 1993; and~~

~~STEP THREE: Divide the amount determined in STEP TWO by three (3).~~

~~STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 1993 expenses only.~~

~~STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the amount determined by the state board of tax commissioners under subsection (c).~~

~~STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is greater. Multiply the greater amount by the greater of:~~

~~(A) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 1995; or~~

~~(B) the statewide average assessed value growth quotient using the county assessed value growth quotients determined under IC 6-1.1-18.5-2 for property taxes first due and payable in 1995.~~

~~STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed value growth quotient for property taxes first due and payable in 1995, as determined under IC 6-1.1-18.5-2.~~ **For taxes first due and payable in 2004, each county shall impose a county family and children property tax levy equal to the product of:**

(B) the greater of:

(i) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(ii) one (1).

(b) For taxes first due and payable in each year after ~~1995,~~ **2004,** each county shall impose a county family and children property tax levy equal to the product of:

(2) the greater of:

(A) the county's assessed value growth quotient for the ensuing calendar year, as determined under IC 6-1.1-18.5-2; or

(B) one (1).

When a year in which a statewide general reassessment of real property first becomes effective is the year preceding the year that the property tax levy under this subsection will be first due and payable, the amount to be used in subdivision (2) equals the average of the amounts used in determining the two (2) most recent adjustments in the county's levy under this section.

~~(c) For taxes first due and payable in 1995 and in 1996, the state board of tax commissioners shall adjust the levy for each county to reflect the county's actual child services expenses incurred in providing child services in 1991, 1992, and 1993. In making this adjustment, the state board of tax commissioners may consider all relevant information, including the county's use of bond and loan proceeds to pay these expenses.~~

However, the proceedings necessary to the loan may be held and carried out before January 1 and before the approval. The loan may be made even though a part of the last preceding June or December settlement has not yet been received.

(g) Proceedings for the issuance and sale of warrants for more than one (1) fund may be combined, but separate warrants for each fund shall be issued and each warrant shall state on its face the fund from which its principal is payable. No action to contest the validity of such warrants shall be brought later than fifteen (15) days from the first publication of notice of sale.

(h) No issue of tax or state tuition support anticipation warrants shall be made if the aggregate of all these warrants exceed twenty thousand dollars ($20,000) until the issuance is advertised for sale, bids received, and an award made by the governing board as required for the sale of bonds, except that the sale notice need not be published outside of the county nor more than ten (10) days before the date of sale.".

Members of the board who are not state employees may be reimbursed from the association's funds for expenses incurred in attending meetings. The board shall meet at least semiannually, with the first meeting to be held not later than May 15 of each year.

(c) The association shall submit to the commissioner a plan of operation for the association and any amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation becomes effective upon approval in writing by the commissioner consistent with the date on which the coverage under this chapter must be made available. The commissioner shall, after notice and hearing, approve the plan of operation if the plan is determined to be suitable to assure the fair, reasonable, and equitable administration of the association and provides for the sharing of association losses on an equitable, proportionate basis among the member carriers, health maintenance organizations, limited service health maintenance organizations, and self-insurers. If the association fails to submit a suitable plan of operation within one hundred eighty (180) days after the appointment of the board of directors, or at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall adopt rules under IC 4-22-2 necessary or advisable to implement this section. These rules are effective until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner. The plan of operation must:

(1) establish procedures for the handling and accounting of assets and money of the association;

(2) establish the amount and method of reimbursing members of the board;

(3) establish regular times and places for meetings of the board of directors;

(4) establish procedures for records to be kept of all financial transactions, and for the annual fiscal reporting to the commissioner;

(5) establish procedures whereby selections for the board of directors will be made and submitted to the commissioner for approval;

(6) contain additional provisions necessary or proper for the execution of the powers and duties of the association; and

(7) establish procedures for the periodic advertising of the general availability of the health insurance coverages from the association.

(d) The plan of operation may provide that any of the powers and

duties of the association be delegated to a person who will perform functions similar to those of this association. A delegation under this section takes effect only with the approval of both the board of directors and the commissioner. The commissioner may not approve a delegation unless the protections afforded to the insured are substantially equivalent to or greater than those provided under this chapter.

(e) The association has the general powers and authority enumerated by this subsection in accordance with the plan of operation approved by the commissioner under subsection (c). The association has the general powers and authority granted under the laws of Indiana to carriers licensed to transact the kinds of health care services or health insurance described in section 1 of this chapter and also has the specific authority to do the following:

(1) Enter into contracts as are necessary or proper to carry out this chapter, subject to the approval of the commissioner.

(2) Sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against participating carriers.

(3) Take legal action necessary to avoid the payment of improper claims against the association or the coverage provided by or through the association.

(4) Establish a medical review committee to determine the reasonably appropriate level and extent of health care services in each instance.

(5) Establish appropriate rates, scales of rates, rate classifications and rating adjustments, such rates not to be unreasonable in relation to the coverage provided and the reasonable operational expenses of the association.

(6) Pool risks among members.

(7) Issue policies of insurance on an indemnity or provision of service basis providing the coverage required by this chapter.

(8) Administer separate pools, separate accounts, or other plans or arrangements considered appropriate for separate members or groups of members.

(9) Operate and administer any combination of plans, pools, or other mechanisms considered appropriate to best accomplish the fair and equitable operation of the association.

(10) Appoint from among members appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association.

(11) Hire an independent consultant.

(12) Develop a method of advising applicants of the availability of other coverages outside the association and may promulgate a list of health conditions the existence of which would deem an applicant eligible without demonstrating a rejection of coverage by one (1) carrier.

(13) Provide for the use of managed care plans for insureds, including the use of:

(A) health maintenance organizations; and

(B) preferred provider plans.

(14) Solicit bids directly from providers for coverage under this chapter.

(f) Rates for coverages issued by the association may not be unreasonable in relation to the benefits provided, the risk experience, and the reasonable expenses of providing the coverage. Separate scales of premium rates based on age apply for individual risks. Premium rates must take into consideration the extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a given classification may not be more than one hundred fifty percent (150%) of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year. In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits identical to those issued by the association. All rates adopted by the association must be submitted to the commissioner for approval.

(g) Following the close of the association's fiscal year, the association shall determine the net premiums, the expenses of administration, and the incurred losses for the year. Any net loss shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums, excluding premiums for Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid losses in the year) coinciding with or ending during the fiscal year of the association or any other equitable basis as may be provided in the plan of operation. For self-insurers, health maintenance organizations, and limited service health maintenance organizations that are members of the association, the proportionate share of losses must be determined through the application of an equitable formula based upon claims paid, excluding claims for Medicaid contracts with the state of Indiana, or the value of services provided. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for interim assessments against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the association's next fiscal year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums. Assessments must be determined by the board members specified in subsection (b)(1), subject to final approval by the commissioner.

(h) The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations by an independent certified public accountant.

(i) The association is subject to examination by the department of insurance under IC 27-1-3.1. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

(j) All policy forms issued by the association must conform in substance to prototype forms developed by the association, must in all other respects conform to the requirements of this chapter, and must be filed with and approved by the commissioner before their use.

(k) The association may not issue an association policy to any individual who, on the effective date of the coverage applied for, does not meet the eligibility requirements of section 5.1 of this chapter.

(l) The association shall pay an agent's referral fee of twenty-five dollars ($25) to each insurance agent who refers an applicant to the association if that applicant is accepted.

(m) The association and the premium collected by the association shall be exempt from the premium tax, ~~the gross income tax,~~ the adjusted gross income tax, ~~supplemental corporate net income,~~ or any combination of these, ~~or similar taxes~~ upon revenues or income that may be imposed by the state.

(n) Members who after July 1, 1983, during any calendar year, have paid one (1) or more assessments levied under this chapter may either:

(1) take a credit against premium taxes, ~~gross income taxes,~~ adjusted gross income taxes, ~~supplemental corporate net income taxes,~~ **business franchise taxes,** or any combination of these, or similar taxes upon revenues or income of member insurers that may be imposed by the state, up to the amount of the taxes due for each calendar year in which the assessments were paid and for succeeding years until the aggregate of those assessments have been offset by either credits against those taxes or refunds from the association; or

(2) any member insurer may include in the rates for premiums charged for insurance policies to which this chapter applies amounts sufficient to recoup a sum equal to the amounts paid to the association by the member less any amounts returned to the member insurer by the association, and the rates shall not be deemed excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the member.

(o) The association shall provide for the option of monthly collection of premiums.

SECTION 222. IC 27-13-18-2 IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2. (a) If for any reason the plan of the health maintenance organization under IC 27-13-16 does not provide for continuation of benefits as required by IC 27-13-16-1, the liquidator shall assess, or cause to be assessed, each licensed health maintenance organization doing business in Indiana. The amount that each licensed health maintenance organization is assessed must be based on the ratio of the amount of all subscriber premiums received by the health maintenance organization for contracts issued in Indiana for the previous calendar year to the amount of the total subscriber premiums received by all licensed health maintenance organizations for contracts issued in Indiana for the previous calendar year.

(b) The total assessments of health maintenance organizations under subsection (a) must equal an amount sufficient to provide for continuation of benefits as required by IC 27-13-16-1 to enrollees covered under contracts issued by the health maintenance organization to subscribers located in Indiana, and to pay administrative expenses.

(c) The total amount of all assessments to be paid by a health maintenance organization in any one (1) calendar year may not exceed one percent (1%) of the premiums received by the health maintenance organization from business in Indiana during the calendar year preceding the assessment.

(d) If the total amount of all assessments in any one (1) calendar year does not provide an amount sufficient to meet the requirements of subsection (a), additional funds must be assessed in succeeding calendar years.

(e) Health maintenance organizations that, during any preceding calendar year, have paid one (1) or more assessments levied under this section may either:

(1) take as a credit against ~~gross income taxes,~~ adjusted gross income taxes, ~~supplemental corporate net income taxes,~~ **business franchise taxes,** or any combination of these, or similar taxes upon revenue or income of health maintenance organizations that may be imposed by Indiana up to twenty percent (20%) of any assessment described in this section for each calendar year following the year in which those assessments were paid until the aggregate of those assessments have been offset; or

(2) include in the premiums charged for coverage to which this article applies amounts sufficient to recoup a sum equal to the amounts paid in assessments as long as the premiums are not excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the health maintenance organization.

SECTION 223. IC 29-3-3-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3. Except as otherwise determined in a dissolution of marriage proceeding, a custody proceeding, or in some other proceeding authorized by law, including a proceeding under section 6 of this chapter or another proceeding under this article, and unless a minor is married, the parents of the minor jointly (or the survivor if one (1) parent is deceased), if not an incapacitated person, have, without the appointment of a guardian, giving of bond, or order or confirmation of court, the right to custody of the person of the minor and the power to execute the following on behalf of the minor:

(1) Consent to the application of subsection (c) of Section 2032A of the Internal Revenue Code, which imposes personal liability for payment of the tax under that Section.

(2) Consent to the application of Section 6324A of the Internal Revenue Code, which attaches a lien to property to secure payment of taxes deferred under Section 6166 of the Internal Revenue Code.

(3) Any other consents, waivers, or powers of attorney provided for under the Internal Revenue Code.

(4) Waivers of notice permissible with reference to proceedings under IC 29-1.

(5) Consents, waivers of notice, or powers of attorney under any statute, including the Indiana inheritance tax law (IC 6-4.1) ~~the Indiana gross income tax~~ law ~~(IC 6-2.1),~~ and the Indiana adjusted gross income tax law (IC 6-3).

(6) Consent to unsupervised administration as provided in IC 29-1-7.5.

(7) Federal and state income tax returns.

(8) Consent to medical or other professional care, treatment, or advice for the minor's health and welfare.

SECTION 224. IC 34-6-2-20 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 20. "Charitable entity", for purposes of IC 34-30-5, means any entity exempted from ~~the Indiana~~ **state** gross ~~income~~ **retail** tax under ~~IC 6-2.1-3-20.~~ **IC 6-2.5-5-21(b)(1)(B).**

SECTION 225. IC 36-7-13-3.8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 3.8. As used in this chapter, "state and local income taxes" means taxes imposed under any of the following:

(1) IC 6-2.1 (the gross income tax).

(2) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax).

~~(3) IC 6-3-8 (the supplemental net income tax).~~

~~(4)~~ **(3)** IC 6-3.5-1.1 (county adjusted gross income tax).

~~(6)~~ **(5)** IC 6-3.5-7 (county economic development income tax).

SECTION 226. IC 36-7-13-15, AS AMENDED BY P.L.174-2001, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 15. (a) If an advisory commission on industrial development designates a district under this chapter or the legislative body of a county or municipality adopts an ordinance designating a district under section 10.5 of this chapter, the treasurer of state shall establish an incremental tax financing fund for the county. The fund shall be administered by the treasurer of state. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax financing fund established for the county under subsection (a):

(1) The aggregate amount of state gross retail and use taxes that are remitted under IC 6-2.5 by businesses operating in the district, until the amount of state gross retail and use taxes deposited equals the gross retail incremental amount for the district.

(2) The aggregate amount of state and local income taxes paid by employees employed in the district with respect to wages earned for work in the district, until the amount of state and local income taxes deposited equals the income tax incremental amount.

(c) The aggregate amount of revenues that is:

(1) attributable to:

(A) the state gross retail and use taxes established under IC 6-2.5;

(B) the gross income tax established under IC 6-2.1; **and**

(C) the adjusted gross income tax established under IC 6-3-1 through IC 6-3-7; and

~~(D) the supplemental net income tax established under IC 6-3-8; and~~

(2) deposited during any state fiscal year in each incremental tax financing fund established for a county;

may not exceed one million dollars ($1,000,000) per county.

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a county shall be distributed to the district's advisory commission on industrial development for deposit in the industrial development fund of the unit that requested designation of the district.

SECTION 227. IC 36-7-14-39 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding

the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the state board of tax commissioners, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the state board of tax commissioners, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded portion of the area added after June 30, 1995.

(6) If an allocation area established in a blighted area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded portion of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements in or serving that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) in or serving that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in or serving that allocation area under any lease entered into under IC 36-1-10.

(I) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under

section 39.5 of this chapter in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the state board of tax commissioners.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The allocation fund may not be used for operating expenses of the commission.

(3) Except as provided in subsection (g), before July 15 of each year the commission shall do the following:

(A) Determine the amount, if any, by which the base assessed value when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Notify the county auditor of the amount, if any, of the amount of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1). The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the portion of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (½) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and state board of tax commissioners shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the state board of tax commissioners shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The state board of tax commissioners may prescribe procedures for county and township officials to follow to assist the state board in making the adjustments.

SECTION 228. IC 36-7-14-39.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 39.5. (a) As used in this section, "allocation area" has the meaning set forth in section 39 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for property taxes that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (as defined in IC 6-1.1-21-2) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to an allocation fund under section 39 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the redevelopment district and paid into an allocation fund under section 39(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under subsection (e) or (f), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be combined on the tax statements sent to each taxpayer.

(e) Upon the recommendation of the redevelopment commission, the municipal legislative body (in the case of a redevelopment commission established by a municipality) or the county executive (in the case of a redevelopment commission established by a county) may, by resolution, provide that the additional credit described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) Whenever the municipal legislative body or county executive determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the municipal legislative body or county executive must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

SECTION 229. IC 36-7-14.5-12.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely or partially inactive or closed.

(b) In order to accomplish the purposes set forth in section 11(b) of this chapter, an authority may create an economic development area:

(1) by following the procedures set forth in IC 36-7-14-41 for the establishment of an economic development area by a redevelopment commission; and

(2) with the same effect as if the economic development area was created by a redevelopment commission.

However, an authority may not include in an economic development area created under this section any area that was declared a blighted area, an urban renewal area, or an economic development area under IC 36-7-14.

(c) In order to accomplish the purposes set forth in section 11(b) of this chapter, an authority may do the following in a manner that serves an economic development area created under this section:

(1) Acquire by purchase, exchange, gift, grant, condemnation, or lease, or any combination of methods, any personal property or interest in real property needed for the redevelopment of economic development areas located within the corporate boundaries of the unit.

(2) Hold, use, sell (by conveyance by deed, land sale contract, or other instrument), exchange, lease, rent, or otherwise dispose of property acquired for use in the redevelopment of economic development areas on the terms and conditions that the authority considers best for the unit and the unit's inhabitants.

(3) Sell, lease, or grant interests in all or part of the real property acquired for redevelopment purposes to any other department of the unit or to any other governmental agency for public ways, levees, sewerage, parks, playgrounds, schools, and other public purposes on any terms that may be agreed on.

(4) Clear real property acquired for redevelopment purposes.

(5) Repair and maintain structures acquired for redevelopment purposes.

(6) Remodel, rebuild, enlarge, or make major structural improvements on structures acquired for redevelopment purposes.

(7) Survey or examine any land to determine whether the land should be included within an economic development area to be acquired for redevelopment purposes and to determine the value of that land.

(8) Appear before any other department or agency of the unit, or before any other governmental agency in respect to any matter affecting:

(A) real property acquired or being acquired for redevelopment purposes; or

(B) any economic development area within the jurisdiction of the authority.

(9) Institute or defend in the name of the unit any civil action, but all actions against the authority must be brought in the circuit or superior court of the county where the authority is located.

(10) Use any legal or equitable remedy that is necessary or considered proper to protect and enforce the rights of and perform the duties of the authority.

(11) Exercise the power of eminent domain in the name of and within the corporate boundaries of the unit subject to the same conditions and procedures that apply to the exercise of the power of eminent domain by a redevelopment commission under IC 36-7-14.

(12) Appoint an executive director, appraisers, real estate experts, engineers, architects, surveyors, and attorneys.

(13) Appoint clerks, guards, laborers, and other employees the authority considers advisable, except that those appointments must be made in accordance with the merit system of the unit if such a system exists.

(14) Prescribe the duties and regulate the compensation of employees of the authority.

(15) Provide a pension and retirement system for employees of the authority by using the public employees' retirement fund or a retirement plan approved by the United States Department of Housing and Urban Development.

(16) Discharge and appoint successors to employees of the authority subject to subdivision (13).

(17) Rent offices for use of the department or authority, or accept the use of offices furnished by the unit.

(18) Equip the offices of the authority with the necessary furniture, furnishings, equipment, records, and supplies.

(19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:

(A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.

(B) Any structure that enhances development or economic development.

(20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves

the purposes set forth in section 11(b) of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the state board of tax commissioners, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or benefitting that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefitting that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (as defined in IC 6-1.1-21-2) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~the twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(A) in the allocation area; and

(B) on a parcel of real property that has been classified as industrial property under the rules of the state board of tax commissioners.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

(1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.

(3) The bonds are exempt from taxation for all purposes.

(4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.

(5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:

(A) from the tax proceeds allocated under subsection (d);

(B) from other revenues available to the authority; or

(C) from a combination of the methods stated in clauses (A) and (B).

(6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(7) Laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance

adopted under section 11(b) of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than seven (7) members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 230. IC 36-7-15.1-26.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 26.5. (a) As used in this section, "adverse determination" means a determination by the fiscal officer of the consolidated city that the granting of credits described in subsection (g) or (h) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(b) As used in this section, "allocation area" has the meaning set forth in section 26 of this chapter.

(c) As used in this section, "special fund" refers to the special fund into which property taxes are paid under section 26 of this chapter.

(d) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(e) Except as provided in subsections (g), (h), and (i), each taxpayer in an allocation area is entitled to an additional credit for property taxes that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to an allocation fund under section 26 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the redevelopment district and paid into the special fund.

(f) The credit for property tax replacement under IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i), unless the credits under subsections (g) and (h) are partial credits, shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. Except as provided in subsections (h) and (i), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h), and (i) shall be combined on the tax statements sent to each taxpayer.

(g) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method provided in subsection (e) may be granted under this subsection. The credit provided under this subsection is first applicable for the allocation area for property taxes first due and payable in 1992. The following apply to the determination of the credit provided under this subsection:

(1) Before June 15 of each year, the fiscal officer of the consolidated city shall determine and certify the following:

(A) All amounts due in the following year to the owners of outstanding bonds payable from the allocation area special fund.

(B) All amounts that are:

(i) required under contracts with bond holders; and

(ii) payable from the allocation area special fund to fund accounts and reserves.

(C) An estimate of the amount of personal property taxes available to be paid into the allocation area special fund under section 26.9(c) of this chapter.

(D) An estimate of the aggregate amount of credits to be granted if full credits are granted.

(2) Before June 15 of each year, the fiscal officer of the consolidated city shall determine if the granting of the full amount of credits in the following year would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund.

(3) If the fiscal officer of the consolidated city determines under subdivision (2) that there would not be an impairment or adverse effect:

(A) the fiscal officer of the consolidated city shall certify the determination; and

(B) the full credits shall be applied in the following year, subject to the determinations and certifications made under section 26.7(b) of this chapter.

(4) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (2), the fiscal officer of the consolidated city shall determine whether there is an amount of partial credits that, if granted in the following year, would not result in the impairment or adverse effect. If the fiscal officer determines that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall do the following:

(A) Determine the amount of the partial credits.

(B) Certify that determination.

(5) If the fiscal officer of the consolidated city certifies under subdivision (4) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers in the following year.

(6) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:

(A) A determination by the fiscal officer of the consolidated city that:

(i) credits may not be paid in the following year; or

(ii) only partial credits may be paid in the following year.

(B) A failure by the fiscal officer of the consolidated city to make a determination by June 15 of whether full or partial credits are payable under this subsection.

(7) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination.

(8) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether the credits are payable under this subsection must be filed by July 15 of the year in which the determination should have been made.

(9) All appeals under subdivision (6) shall be decided by the court within sixty (60) days.

(h) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method in subsection (e) and in subdivision (2) of this subsection may be granted under this subsection. The following apply to the

credit granted under this subsection:

(1) The credit is applicable to property taxes first due and payable in 1991.

(2) For purposes of this subsection, the amount of a credit for 1990 taxes payable in 1991 with respect to an affected taxpayer is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e); multiplied by

(B) the total amount of the property taxes payable by the taxpayer that were allocated in 1991 to the allocation area special fund under section 26 of this chapter.

(3) Before June 15, 1991, the fiscal officer of the consolidated city shall determine and certify an estimate of the aggregate amount of credits for 1990 taxes payable in 1991 if the full credits are granted.

(4) The fiscal officer of the consolidated city shall determine whether the granting of the full amounts of the credits for 1990 taxes payable in 1991 against 1991 taxes payable in 1992 and the granting of credits under subsection (g) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund for an allocation area described in subsection (g).

(5) If the fiscal officer of the consolidated city determines that there would not be an impairment or adverse effect under subdivision (4):

(A) the fiscal officer shall certify that determination; and

(B) the full credits shall be applied against 1991 taxes payable in 1992 or the amount of the credits shall be paid to the taxpayers as provided in subdivision (12), subject to the determinations and certifications made under section 26.7(b) of this chapter.

(6) If the fiscal officer of the consolidated city makes an adverse determination under subdivision (4), the fiscal officer shall determine whether there is an amount of partial credits for 1990 taxes payable in 1991 that, if granted against 1991 taxes payable in 1992 in addition to granting of the credits under subsection (g), would not result in the impairment or adverse effect.

(7) If the fiscal officer of the consolidated city determines under subdivision (6) that there is an amount of partial credits that would not result in the impairment or adverse effect, the fiscal officer shall determine the amount of partial credits and certify that determination.

(8) If the fiscal officer of the consolidated city certifies under subdivision (7) that partial credits may be paid, the partial credits shall be applied pro rata among all affected taxpayers against 1991 taxes payable in 1992.

(9) An affected taxpayer may appeal any of the following to the circuit or superior court of the county in which the allocation area is located:

(A) A determination by the fiscal officer of the consolidated city that:

(i) credits may not be paid for 1990 taxes payable in 1991; or

(ii) only partial credits may be paid for 1990 taxes payable in 1991.

(B) A failure by the fiscal officer of the consolidated city to make a determination by June 15, 1991, of whether credits are payable under this subsection.

(10) An appeal of a determination must be filed not later than thirty (30) days after the publication of the determination. Any such appeal shall be decided by the court within sixty (60) days.

(11) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether credits are payable under this subsection must be filed by July 15, 1991. Any such appeal shall be decided by the court within sixty (60) days.

(12) If 1991 taxes payable in 1992 with respect to a parcel are billed to the same taxpayer to which 1990 taxes payable in 1991 were billed, the county treasurer shall apply to the tax bill for 1991 taxes payable in 1992 both the credit provided under subsection (g) and the credit provided under this subsection, along with any credit determined to be applicable to the tax bill under subsection (i). In the alternative, at the election of the county auditor, the county may pay to the taxpayer the amount of the credit by May 10, 1992, and the amount shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(13) If 1991 taxes payable in 1992 with respect to a parcel are billed to a taxpayer other than the taxpayer to which 1990 taxes payable in 1991 were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (i) to the tax bill for 1991 taxes payable in 1992.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit under this subsection.

A taxpayer entitled to a credit must file an application for refund of the credit with the county auditor not later than November 30, 1991.

(14) A taxpayer who files an application by November 30, 1991, is entitled to payment from the county treasurer in an amount that is in the same proportion to the credit provided under this subsection with respect to a parcel as the amount of 1990 taxes payable in 1991 paid by the taxpayer with respect to the parcel bears to the 1990 taxes payable in 1991 with respect to the parcel. This amount shall be paid to the taxpayer by May 10, 1992, and shall be charged to the taxing units in which the allocation area is located in the proportion of the taxing units' respective tax rates for 1990 taxes payable in 1991.

(i) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. The following apply to the credit granted under this subsection:

(1) A prior year credit is applicable to property taxes first due and payable in each year from 1987 through 1990 (the "prior years").

(2) The credit for each prior year is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e) for the prior year; multiplied by

(B) the total amount of the property taxes paid by the taxpayer that were allocated in the prior year to the allocation area special fund under section 26 of this chapter.

(3) Before January 31, 1992, the county auditor shall determine the amount of credits under subdivision (2) with respect to each parcel in the allocation area for all prior years with respect to which:

(A) taxes were billed to the same taxpayer for taxes payable in each year from 1987 through 1991; or

(B) an application was filed by November 30, 1991, under subdivision (8) for refund of the credits for prior years.

A report of the determination by parcel shall be sent by the county auditor to the state board of tax commissioners and the budget agency within five (5) days of such determination.

(4) Before January 31, 1992, the county auditor shall determine the quotient of the amounts determined under subdivision (3) with respect to each parcel divided by six (6).

(5) Before January 31, 1992, the county auditor shall determine the quotient of the aggregate amounts determined under subdivision (3) with respect to all parcels divided by twelve (12).

(6) Except as provided in subdivisions (7) and (9), in each year in which credits from prior years remain unpaid, credits for the prior years in the amounts determined under subdivision (4) shall be applied as provided in this subsection.

(7) If taxes payable in the current year with respect to a parcel are billed to the same taxpayer to which taxes payable in all of the prior years were billed and if the amount determined under subdivision (3) with respect to the parcel is at least five hundred dollars ($500), the county treasurer shall apply the credits provided for the current year under subsections (g) and (h) and the credit in the amount determined under subdivision

(4) to the tax bill for taxes payable in the current year. However, if the amount determined under subdivision (3) with respect to the parcel is less than five hundred dollars ($500) (referred to in this subdivision as "small claims"), the county may, at the election of the county auditor, either apply a credit in the amount determined under subdivision (3) or subdivision (4) to the tax bill for taxes payable in the current year or pay either amount to the taxpayer. If title to a parcel transfers in a year in which a credit under this subsection is applied to the tax bill, the transferor may file an application with the county auditor within thirty (30) days of the date of the transfer of title to the parcel for payments to the transferor at the same times and in the same amounts that would have been allowed as credits to the transferor under this subsection if there had not been a transfer. If a determination is made by the county auditor to refund or credit small claims in the amounts determined under subdivision (3) in 1992, the county auditor may make appropriate adjustments to the credits applied with respect to other parcels so that the total refunds and credits in any year will not exceed the payments made from the state property tax replacement fund to the prior year credit fund referred to in subdivision (11) in that year.

(8) If taxes payable in the current year with respect to a parcel are billed to a taxpayer that is not a taxpayer to which taxes payable in all of the prior years were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (h) to the tax bill for taxes payable in the current year.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit.

A taxpayer entitled to the credit must file an application for refund of the credit with the county auditor not later than November 30, 1991. A refund shall be paid to an eligible applicant by May 10, 1992.

(9) A taxpayer who filed an application by November 30, 1991, is entitled to payment from the county treasurer under subdivision (8) in an amount that is in the same proportion to the credit determined under subdivision (3) with respect to a parcel as the amount of taxes payable in the prior years paid by the taxpayer with respect to the parcel bears to the taxes payable in the prior years with respect to the parcel.

(10) In each year on May 1 and November 1, the state shall pay to the county treasurer from the state property tax replacement fund the amount determined under subdivision (5).

(11) All payments received from the state under subdivision (10) shall be deposited into a special fund to be known as the prior year credit fund. The prior year credit fund shall be used to make:

(A) payments under subdivisions (7) and (9); and

(B) deposits into the special fund for the application of prior year credits.

(12) All amounts paid into the special fund for the allocation area under subdivision (11) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated taxes from that area.

(13) By January 15, 1993, and by January 15 of each year thereafter, the county auditor shall send to the state board of tax commissioners and the budget agency a report of the receipts, earnings, and disbursements of the prior year credit fund for the prior calendar year. If in the final year that credits under subsection (i) are allowed any balance remains in the prior year credit fund after the payment of all credits payable under this subsection, such balance shall be repaid to the treasurer of state for deposit in the property tax replacement fund.

(14) In each year, the county shall limit the total of all refunds and credits provided for in this subsection to the total amount paid in that year from the property tax replacement fund into the prior year credit fund and any balance remaining from the preceding year in the prior year credit fund.

SECTION 231. IC 36-7-15.1-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 35. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(g) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

(b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

(1) The construction, rehabilitation, or repair of residential units within the allocation area.

(2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.

(3) The acquisition of real property and interests in real property within the allocation area.

(4) The demolition of real property within the allocation area.

(5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.

(6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) To provide each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, this credit may be provided by the commission only if the city-county legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 32 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~the amount~~ **ten percent (10%) of the county's total county tax levy payable that year as** determined under IC 6-1.1-21-4(a)(1) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's property taxes levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c), by applying one-half (½) of the credit to each installment of property taxes that under IC 6-1.1-22-9 are due and payable on May 1 and November 1 of a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 17.1 of this chapter or

under IC 36-1-10 are outstanding and if lease rentals are payable from the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 26(b) of this chapter, the special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 26(b)(2)(A) through section 26(b)(2)(H) of this chapter.

(2) Reimburse the consolidated city for expenditures made by the city in order to accomplish the housing program in that allocation area.

The special fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the special fund established under section 26(b) of this chapter for an allocation area for a program adopted under section 32 of this chapter, do the following before July 15 of each year:

(1) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary:

(A) to make, when due, principal and interest payments on bonds described in section 26(b)(2) of this chapter;

(B) to pay the amount necessary for other purposes described in section 26(b)(2) of this chapter; and

(C) to reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Notify the county auditor of the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

SECTION 232. IC 36-7-15.1-56, AS ADDED BY P.L.102-1999, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 56. (a) As used in this section, "allocation area" has the meaning set forth in section 53 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for property taxes that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to an allocation fund under section 53 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the development district and paid into an allocation fund under section 53(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under subsection (e) or (f), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be combined on the tax statements sent to each taxpayer.

(e) Upon the recommendation of the commission, the excluded city legislative body may, by resolution, provide that the additional credit described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) Whenever the excluded city legislative body determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the excluded city legislative body must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

SECTION 233. IC 36-7-30-25 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 25. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the state board of tax commissioners, as finally determined for any assessment date after the effective date of the allocation provision.

Clause (C) applies only to allocation areas established in a military reuse area after June 30, 1997, and to the portion of an allocation area that was established before June 30, 1997, and that is added to an existing allocation area after June 30, 1997.

(3) "Property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A declaratory resolution adopted under section 10 of this chapter before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base

reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the reuse authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~the twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's property taxes levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 27 of this chapter in the same year.

(F) Pay expenses incurred by the reuse authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the state board of tax commissioners.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

The allocation fund may not be used for operating expenses of the reuse authority.

(3) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Notify the county auditor of the amount, if any, of the amount of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1). The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (2) or lessors under section 19 of this chapter. Property taxes received by a taxing unit under this subdivision are eligible for the property tax replacement credit provided under IC 6-1.1-21.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs

in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (½) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the state board of tax commissioners shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The state board of tax commissioners may prescribe procedures for county and township officials to follow to assist the state board in making the adjustments.

SECTION 234. IC 36-7-30-27 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 27. (a) As used in this section, "allocation area" has the meaning set forth in section 25 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for property taxes that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty~~ **ten** percent ~~(20%)~~ **(10%)** of each county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to an allocation fund under section 25 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the military base reuse district and paid into an allocation fund under section 25(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under subsection (e) or (f), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an allocation area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (c) shall be combined on the tax statements sent to each taxpayer.

(e) Upon the recommendation of the reuse authority, the municipal legislative body (in the case of a reuse authority established by a municipality) or the county executive (in the case of a reuse authority established by a county) may by resolution provide that the additional credit described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.

(f) If the municipal legislative body or county executive determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the municipal legislative body or county executive must adopt a resolution under subsection (e) to deny the additional credit or reduce the credit to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until rescinded by the body that originally adopted the resolution. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

(c) There may be not more than three (3) certified technology parks designated by the department.

Sec. 12. A redevelopment commission and the legislative body of the unit that established the redevelopment commission may enter into an agreement with the department of commerce establishing the terms and conditions governing a certified technology park designated under section 11 of this chapter. Upon designation of the certified technology park under the terms of the agreement, the subsequent failure of any party to comply with the terms of the agreement does not result in the termination or rescission of the designation of the area as a certified technology park. The agreement must include the following provisions:

(1) A description of the area to be included within the certified technology park.

(2) Covenants and restrictions, if any, upon all or a part of the properties contained within the certified technology park and terms of enforcement of any covenants or restrictions.

(b) If public facilities developed under an agreement entered into under this chapter are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure that the public facilities are used for high technology activities or as a business incubator. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

Sec. 14. The department of commerce shall market the certified technology park. The department and a redevelopment commission may contract with each other or any third party for these marketing services.

Sec. 15. (a) Subject to the approval of the legislative body of the unit that established the redevelopment commission, the redevelopment commission may adopt a resolution designating a certified technology park as an allocation area for purposes of the allocation and distribution of property taxes.

(b) After adoption of the resolution under subsection (a), the redevelopment commission shall:

(1) publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1; and

(i) The estimated economic benefits and costs incurred by the certified technology park, as measured by increased employment and anticipated growth of real property assessed values.

(ii) The anticipated impact on tax revenues of each taxing unit.

The notice must state the general boundaries of the certified technology park and must state that written remonstrances may be filed with the redevelopment commission until the time designated for the hearing. The notice must also name the place, date, and time when the redevelopment commission will receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed allocation area and will determine the public utility and benefit of the proposed allocation area. The commission shall file the information required by subdivision (2) with the officers of the taxing unit who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten (10) days before the date of the public hearing. All persons affected in any manner by the hearing, including all taxpayers within the taxing district of the redevelopment commission, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the redevelopment commission affecting the allocation area if the redevelopment commission gives the notice required by this section.

(c) At the hearing, which may be recessed and reconvened periodically, the redevelopment commission shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the redevelopment commission shall take final action determining the public utility and benefit of the proposed allocation area confirming, modifying and confirming, or rescinding the resolution. The final action taken by the redevelopment commission shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by section 16 of this chapter.

Sec. 16. (a) A person who files a written remonstrance with the redevelopment commission under section 15 of this chapter and is aggrieved by the final action taken may, within ten (10) days after that final action, file with the office of the clerk of the circuit or superior court of the county a copy of the redevelopment commission's resolution and the person's remonstrance against the resolution, together with the person's bond as provided by IC 34-13-5-7.

The court shall decide the appeal based on the record and evidence before the redevelopment commission, not by trial

de novo, and may confirm the final action of the redevelopment commission or sustain the remonstrances. The judgment of the court is final and conclusive, unless an appeal is taken as in other civil actions.

Sec. 17. (a) An allocation provision adopted under section 15 of this chapter must:

(1) apply to the entire certified technology park; and

(2) require that any property tax on taxable property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the certified technology park be allocated and distributed as provided in subsections (b) and (c).

(b) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(1) the assessed value of the taxable property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value;

shall be allocated and, when collected, paid into the funds of the respective taxing units.

(c) Except as provided in subsection (d), all the property tax proceeds that exceed those described in subsection (b) shall be allocated to the redevelopment commission for the certified technology park and, when collected, paid into the certified technology park fund established under section 23 of this chapter.

(d) Before July 15 of each year, the redevelopment commission shall do the following:

(1) Determine the amount, if any, by which the property tax proceeds to be deposited in the certified technology park fund will exceed the amount necessary for the purposes described in section 23 of this chapter.

(2) Notify the county auditor of the amount, if any, of excess tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in the manner prescribed in subsection (c). The redevelopment commission may not authorize an allocation of property tax proceeds under this subdivision if to do so would endanger the interests of the holders of bonds described in section 24 of this chapter.

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the certified technology park effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the certified technology park, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the taxable property as valued without regard to this section; or

(2) the base assessed value.

Sec. 18. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a certified technology park that has been designated as an allocation area is entitled to an additional credit for property taxes that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (½) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the certified technology park:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ten percent (10%) of the county's total county tax levy payable that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's property taxes levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a certified technology park; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in a certified technology park who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies must be stated on the notice.

(d) Notwithstanding any other law, a taxpayer in a certified technology park is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

Sec. 19. (a) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that the state board of accounts and department of local government finance consider appropriate for the implementation of an allocation area under this chapter.

(b) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to certified technology park fund under section 17 of this chapter.

Sec. 20. (a) After entering into an agreement under section 12 of this chapter, the redevelopment commission shall send to the department of state revenue:

(1) a certified copy of the designation of the certified technology park under section 11 of this chapter;

(2) a certified copy of the agreement entered into under section 12 of this chapter; and

(3) a complete list of the employers in the certified technology park and the street names and the range of street numbers of each street in the certified technology park.

The redevelopment commission shall update the list provided under subdivision (3) before July 1 of each year.

(b) Not later than sixty (60) days after receiving a copy of the designation of the certified technology park, the department of state revenue shall determine the gross retail base period amount and the income tax base period amount.

Sec. 21. Before the first business day in October of each year, the department of state revenue shall calculate the income tax incremental amount and the gross retail incremental amount for the preceding state fiscal year for each certified technology park designated under this chapter.

Sec. 22. (a) The treasurer of state shall establish an incremental tax financing fund for each certified technology park designated under this chapter. The fund shall be administered by the treasurer of state. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax financing fund established for a certified technology park under subsection (a):

(1) The aggregate amount of state gross retail and use taxes that are remitted under IC 6-2.5 by businesses operating in the certified technology park, until the amount of state

gross retail and use taxes deposited equals the gross retail incremental amount for the certified technology park.

(A) The adjusted gross income tax.

(B) The county adjusted gross income tax.

(C) The county option income tax.

(D) The county economic development income tax.

(c) No additional deposits shall be made in an incremental tax financing fund under subsection (b) after the total amount of deposits that has been made in that fund reaches five million dollars ($5,000,000).

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a certified technology park shall be distributed to the redevelopment commission for deposit in the certified technology park fund established under section 23 of this chapter.

Sec. 23. (a) Each redevelopment commission that establishes a certified technology park under this chapter shall establish a certified technology park fund to receive:

(1) property tax proceeds allocated under section 17 of this chapter; and

(2) money distributed to the redevelopment commission under section 22 of this chapter.

(b) Money deposited in the certified technology park fund may be used by the redevelopment commission only for one (1) or more of the following purposes.

(4) Establishment, augmentation, or restoration of the debt service reserve for obligations described in subdivision (3).

(5) Payment of the principal of and interest on bonds issued by the unit to pay for public facilities in or serving the certified technology park.

(c) The certified technology park fund may not be used for operating expenses of the redevelopment commission.

Sec. 24. (a) A redevelopment commission may issue bonds for the purpose of providing public facilities under this chapter.

(b) The bonds are payable solely from:

(1) property tax proceeds allocated to the certified technology park fund under section 17 of this chapter;

(2) money distributed to the redevelopment commission under section 22 of this chapter;

(3) other funds available to the redevelopment commission; or

(4) a combination of the methods stated in subdivisions (1) through (3).

(c) The bonds shall be authorized by a resolution of the redevelopment commission.

(d) The terms and form of the bonds shall either be set out in the resolution or in a form of trust indenture approved by the resolution.

(e) The bonds must mature within fifty (50) years.

(f) The redevelopment commission shall sell the bonds at public or private sale upon such terms as determined by the redevelopment commission.

(g) All money received from any bonds issued under this chapter shall be applied solely to the payment of the cost of providing public facilities within a certified technology park, or the cost of refunding or refinancing outstanding bonds, for which the bonds are issued. The cost may include:
